 - (d) the Minister is satisfied that, if the application were to be granted, the registered premises would be carried on for the benefit of, or would be managed by, a person who would himself or herself be refused registration under any of the foregoing provisions of this paragraph:

Provided that where an application for renewal of registration is made by the lawful guardian, not being himself or herself a person who would be refused registration under the said provisions, of a minor child of a deceased proprietor for the purpose of carrying on the registered premises for the benefit of such minor child, the application shall not be refused by reason only that the registered premises would be carried on for the benefit of a person under 20 years of age or for the benefit of a person, if such be the case, who is not ordinarily resident in Jersey;

- (ii) result in undue congestion of traffic, or

- (2) If, after affording an applicant or a proprietor, as the case may be, an opportunity of being heard, the Minister decides to refuse the application, to attach the condition, or to cancel the registration, the Minister shall give the applicant or proprietor notice in writing of the decision and, if so requested in writing by the applicant or proprietor, shall, within 7 days of receiving such a request, give to him or her a statement in writing of the reasons for the decision.
