### *Levies on banks<sup>30</sup>*

## 25 Annual administration levy<sup>31</sup>

- (1) An annual administration levy is a levy raised by the Board to enable it to meet its recurring administrative costs in a particular registration year.
- (2) The provisions of these Regulations on annual administration levies accordingly apply to any registration year irrespective of whether any bank becomes bankrupt in that year.
- (3) Before the end of each registration year the Board may, after reviewing whether it might need to raise an annual administration levy to meet its likely recurring administrative costs for that year, decide an amount to be raised as an annual administration levy for that year.
- (4) A bank is liable to pay to the Board an annual administration levy in respect of a year if –
  - (a) that year is a registration year for which the Board decides to raise a levy under paragraph (3); and
  - (b) the bank is registered during any part of that year, irrespective of whether it is not registered during any other part of that year.
- (5) The Minister may, by notice to the Board, direct the Board not to raise more than a specified amount of annual administration levy for a specified registration year.

- (6) An amount specified under paragraph (5) applies to registration years subsequent to the specified year, unless the Minister withdraws or amends the notice.
- (7) For the purpose of this Regulation –
  - “registered” means registered as described in the definition “bank” in Regulation 1;
  - “registration year” means –
    - (a) the period (whether of one year or shorter) starting at the first time determined by the Minister under Regulation 8A(4) and ending on the next day on which registrations under the Banking Law expire by virtue of Article 9(2) of that Law; and
    - (b) each subsequent period of 12 months ending on each day on which such registrations so expire.<sup>32</sup>

### **25A Compensation levy<sup>33</sup>**

- (1) This Regulation applies if a bank becomes bankrupt.
- (2) A bank that is not in default is liable to pay a compensation levy, in respect of the bank that is in default, if –
  - (a) the Board publishes under Regulation 15 a notice specifying the relevant date in respect of the bank in default; and
  - (b) the bank that is not in default held eligible deposits on that relevant date.
- (3) This Regulation is without prejudice to Regulation 7(2).

### **25B Notice of levies<sup>34</sup>**

- (1) This Regulation applies to both annual administration levies and compensation levies, except as expressly otherwise provided.
- (2) The Board –
  - (a) must calculate the levy to be paid by each bank liable to pay a levy; and
  - (b) must, as soon as practicable and no later than the date specified in paragraph (3), send a written notice to each such bank, requiring it to pay the levy.
- (3) The date referred to in paragraph (2)(b) is –
  - (a) in the case of an annual administration levy, one month after the Board decides to raise the levy, or the end of the registration year (as defined in Regulation 25) for that levy, whichever is sooner; or
  - (b) in the case of a compensation levy, 6 months after the relevant date in respect of the bank in default.
- (4) The notice must specify –
  - (a) the levy the bank is required to pay;

- (b) how the levy has been calculated; and
  - (c) the date or dates on which the levy or any instalment of the levy becomes payable.
- (5) If, at any time, the Board is satisfied that it has become necessary to do so, it may, by written notice sent to each bank required to pay the levy, require each such bank to pay an additional levy.
- (6) The notice must specify –
  - (a) the additional levy the bank is required to pay;
  - (b) how the additional levy has been calculated; and
  - (c) the date or dates on which the additional levy or any instalment of the levy becomes payable.
- (7) A bank to which a notice has been sent under this Regulation must pay the levy or any instalment of the levy within 15 working days of the date specified in the notice as the date when the amount of the levy or any instalment of the amount becomes payable.
- (8) A levy that has become payable is a debt due to the Board and therefore can be sued for accordingly.

### **25C Amount of annual administration levy<sup>35</sup>**

- (1) To calculate the amount of annual administration levy to be paid by each bank liable to pay such a levy in a registration year, the Board must divide the amount decided under Regulation 25(3) by the number of banks so liable.
- (2) If the Board has accepted a payment from a bank towards the Board's recurring administrative costs, other than as an annual administration levy, the Board must –
  - (a) disregard the contribution in deciding the amount under Regulation 25(3), and give credit for the contribution against the amount calculated under paragraph (1) in respect of that bank; or
  - (b) adjust the amounts calculated under paragraph (1) in respect of different banks in such other manner as the Board considers to be equitable in all the circumstances.

### **26 Total amount of compensation levies<sup>36</sup>**

Subject to the limitations set out in Regulations 28 and 29, the total amount of the compensation levies to be paid by the banks liable to pay such a levy in respect of a bank in default must be sufficient to raise such amount as the Board estimates will be necessary to meet –

- (a) the payment by it of compensation in respect of the bank in default; and
- (b) the Board's default-related administrative costs in that respect.<sup>37</sup>

**27 Amount of compensation levy to be paid by each bank<sup>38</sup>**

Subject to the limitations set out in Regulations 28 and 29, the Board must require each bank liable to pay a compensation levy in respect of a bank in default to pay by way of compensation levy  $\frac{A}{B}$  of the amount required for the purposes mentioned in Regulation 26 where –

*A* = the total amount held by the bank by way of eligible deposits on the relevant date in respect of the bank in default; and

*B* = the total amount held on that relevant date by way of such deposits by all the banks liable to pay a compensation levy.<sup>39</sup>

**28 Limitation on amount the Board may expend in relation to a default<sup>40</sup>**

- (1) The maximum amount that the Board may expend –

- (2) The maximum amount for which a bank may be liable by way of compensation levy in respect of one or more banks in default in respect of a period of 5 years is –

  - (b) in any other case, £1 million in respect of any period of 12 months.<sup>45</sup>
- (4) The Board may not require a bank to pay a compensation levy in respect of a bank in default more than 5 years after the relevant date in respect of the bank in default.<sup>46</sup>
- (5) Nothing in paragraph (4) shall be taken as prohibiting the enforcement after the 5 year period of a requirement to pay a compensation levy falling due before the end of that period.<sup>47</sup>

### 30 Payment of shortfall

- (1) This Regulation applies if, on a relevant date in respect of a bank in default, the total amount that the banks liable to pay a compensation levy are liable to pay by way of compensation levy is less than the maximum amount the Board may expend under Regulation 28 in respect of the bank in default.<sup>48</sup>
- (2) There shall be due to the Board –
  - (a) by way of payment from the consolidated fund; or
  - (b) by way of set off against any loan to the Board by the States, the amount calculated under paragraph (3).
- (3) That amount is the difference between –
  - (a) the total amount the banks liable to pay a compensation levy are liable to pay by way of compensation levy in respect of the bank in default; and
  - (b) the maximum amount of compensation and default-related administrative costs the Board may expend in respect of the bank in default.<sup>49</sup>
- (4) The Board –
  - (a) must, at the same time as it sends to banks notices under Regulation 25B(2)(b) in respect of a bank in default, send a notice to the Minister for Treasury and Resources stating how much is due to the Board by way of shortfall under this Regulation as calculated by the Board; and
  - (b) may subsequently send a further notice to the Minister for Treasury and Resources stating further amounts that are due to the Board by way of any such shortfall.<sup>50</sup>

- (2) The Regulation also applies if any bank liable to pay a compensation levy defaults in the payment of the levy for any reason.<sup>52</sup>

- (3) The amount of compensation to be paid by the Board in respect of each eligible depositor of the bank in default shall be reduced –
  - (a) by a rateable amount; or
  - (b) in such other manner as the Board considers to be equitable in all the circumstances.
- (4) For the purpose of paragraph (3)(a), any deduction under Regulation 24 shall be disregarded when calculating the reduction to be made under that paragraph.

### **32 Repayment of overpaid compensation levy<sup>53</sup>**

- (1) This Regulation applies if, during or after a period of 5 years in relation to a default, the Board has in the compensation fund for that default more money than it requires to pay compensation and to meet its default-related administrative costs in relation to that default.
- (2) The Board must apply the excess firstly to repay any shortfall paid to the Board out of the consolidated fund under Regulation 30 in respect of the default and secondly to pay any remaining amount to the banks that paid a compensation levy to the Board in that respect in proportion to the amount of levy paid by each bank.

#### *Subrogation*

### **33 Subrogation.**

- (1) This Regulation applies if the Board is satisfied that a person has made a valid application for compensation.
- (2) Despite Regulations 18 and 19, the Board must not pay the compensation claimed, under either of those Regulations, until the eligible depositor has agreed in writing that –
  - (a) the depositor's rights in respect of the depositor's eligible deposit with the bank in default are vested in the Board;
  - (b) the depositor will provide any assistance the Board may require to enable it to exercise those rights; and
  - (c) the depositor will pay to the Board any amount the depositor receives in respect of those rights, after deducting from that amount any amount the Board would have been required to pay to the depositor under paragraph (3).
- (3) The Board must, as soon as practicable, pay to the depositor any amount that the Board receives in respect of the depositor's eligible deposit that exceeds an amount equal to the amount of compensation paid or payable by the Board to the depositor in respect of the depositor's eligible deposit.
- (4) The Board must pay any amount paid to it under paragraph (2)(a) or (c) into the compensation fund in respect of the bank in default to which the compensation relates.<sup>54</sup>
