- (2) In this paragraph a “care home service” is a service providing residential accommodation together with care, whether on a temporary or permanent basis, to adults or children where residents have no choice as to the provider of the care, other than foster care or a service provided in –
 - (a) a hospital;
 - (b) a school;
 - (c) a prison or young offender institution; or
 - (d) private accommodation (not being accommodation provided purely in the context of the provision of a care home service by the same person who provides that accommodation) occupied exclusively by the care receiver and his or her family.
- (2A)
- (3) For clarity, nothing in sub-paragraph (2)(c) prevents any service provided in a secure children’s home being a care home service.
- (4) For the purposes of this paragraph the following services are not treated as services provided in a hospital even if they are operated from a hospital –
 - (a) hospice services;
 - (b) long-term or respite nursing care services;
 - (c) residential or respite services for people with learning difficulties or mental health problems; or
 - (d) services provided in a children’s home within the meaning of Article 1(1) of the [Children \(Jersey\) Law 2002](#).

2 Provision of home care service

- (1) The provision of a home care service is a regulated activity.

 - (b) receipt of the special component of income support under Article 5(3)(d) of the [Income Support \(Jersey\) Law 2007](#) (the carer's component) or the home carer's allowance under Article 18A of the [Social Security \(Jersey\) Law 1974](#);
 - (c) any part of the value of an approved care package within the meaning of Article 7 of the [Long-Term Care \(Jersey\) Law 2012](#) that is paid directly to an unpaid carer who is caring otherwise than as the person's employment to provide respite for the carer instead of being used to provide alternative care to the care receiver.
- (4) The services provided by an employment agency through which an individual is introduced to a care receiver without the care provided by the individual's being subject to any ongoing management or control, do not constitute the provision of a home care service by that agency.
