- (3) The procedure for swearing is –

 - (i) must positively identify the applicant as the executor or administrator,
 - (ii) must read out the relevant oath,
 - (iii) must see the applicant sign the oath, and
 - (iv) must satisfy himself or herself by whatever means the Greffier considers practical that the document signed by the applicant is the oath.
- (4) The signed oath must be returned to the Greffier within such period as the Greffier may direct, who must then –
 - (a) countersign the oath; and
 - (b) certify on the face of the oath that the procedure in paragraph (3) was correctly followed.
- (5) In this Regulation –
 - “positively identify” means –
 - (a) if the person is known to the Greffier, that the Greffier can recognise the person over the audio-visual link; or
 - (b) if the person is not known to the Greffier, that the person is able to identify himself or herself to the Greffier with any form of photographic identification which the Greffier is able to see over the audio-visual link;
 - “relevant oath” means an oath referred to in Rule 2(3) or 3(3), as the case may be, of the Probate Rules.
