WASTE MANAGEMENT (FEES) (JERSEY) ORDER 2008

THE MINISTER FOR PLANNING AND ENVIRONMENT, in pursuance of Articles 18, 22, 106 and 108 of the [Waste Management \(Jersey\) Law 2005](#), orders as follows –

Commencement [[see endnotes](#)]

1 Fees

- (1) This Order prescribes the fees payable under the [Waste Management \(Jersey\) Law 2005](#).
- (2) In this Article “table” means the table set out in Schedule 1.
- (3) The fee payable in respect of an application specified in column 1 of Part 1 of the table is the appropriate fee specified in column 2 of the table.
- (4) If an application for a licence is successful, the appropriate fee specified in Part 2 of the table is payable on the grant of the licence and on each anniversary of the grant of the licence during the subsistence of the licence.
- (5) If the Minister agrees, half the fee mentioned in paragraph (4) may be paid on the grant of the licence and half every 6 months thereafter during the subsistence of the licence.
- (6) Where more than one fee is specified in column 2 of the table, a person may, before making an application specified in Part 1 of the table, apply to the Minister for a determination –
 - (a) on which fee is the appropriate fee in respect of the application; and
 - (b) where the application is for a licence, on which fee is the appropriate fee under Part 2 of the table.
- (7) The question of which fee is the appropriate fee shall be determined in accordance with Schedule 2.

2 Citation

This Order may be cited as the Waste Management (Fees) (Jersey) Order 2008.

SCHEDULE 2

(Article 1(7))

DETERMINATION OF APPROPRIATE FEE

1 Licence application and licence surrender

- (1) The high regulatory requirement fee is payable if the Minister is satisfied that the application is in respect of a complex facility with a significant pollution potential or sensitive receptors.
- (2) The medium regulatory requirement fee is payable if the Minister is satisfied that the application is in respect of a facility that has a reduced pollution potential but where receptors are still present and where a detailed consideration of the application is still required.
- (3) The low regulatory requirement fee is payable if the Minister is satisfied that the application is in respect of a facility where the volume of material handled and the potential environmental risks from operations at the facility are low.

2 Licence subsistence

- (1) The high inspection frequency fee is payable if the Minister is satisfied that the facility requires a rigorous and frequent inspection regime and the completion of follow up paperwork.
- (2) The medium inspection frequency fee is payable if the Minister is satisfied that the facility requires a less rigorous and frequent inspection regime and the completion of follow up paperwork.
- (3) The low inspection frequency fee is payable if the Minister is satisfied that the facility requires an infrequent inspection regime and the completion of follow up paperwork.
