CAPACITY AND SELF-DETERMINATION (JERSEY) LAW 2016

A LAW to make provision relating to individuals who lack capacity, and in particular to provide for the circumstances in which, and the procedures by which, certain decisions may be taken in relation to or on behalf of such individuals; to establish a new regime of assessments and authorizations for the proper care and management of such individuals; to make provision relating to anticipatory instructions refusing treatment; and for connected purposes

Adopted by the States

14th September 2016

Sanctioned by Order of Her Majesty in Council

14th December 2016

Registered by the Royal Court

23rd December 2016

THE STATES, subject to the sanction of Her Most Excellent Majesty in Council, have adopted the following Law –

PART 1

INTERPRETATION AND GENERAL PRINCIPLES

1 Interpretation

(1) In this Law –

“best interests” shall be interpreted in accordance with Article 6;

“child” means a person under 18 years of age;

“Court” means the Royal Court;

“delegate” means a person appointed as such under Article 24;

“lack of capacity” shall be interpreted in accordance with Article 4;

“life-sustaining treatment” means any treatment necessary, in the view of a person providing health care for a person lacking capacity, to sustain the latter person’s life;

“lasting power of attorney” or “LPA” has the meaning given by Article 11(1);

“Mental Health Law” means the Mental Health (Jersey) Law 2016¹;

“permitted act” has the meaning given by Article 8(2);

“prescribed” means prescribed by an Order made by the Minister under Article 70.

- (2) A word or expression used in this Law and defined in the Mental Health Law shall, unless otherwise indicated or required by the context, be taken to have the same meaning for the purposes of this Law as that word or expression is given in the Mental Health Law.

2 Persons in respect of whom this Law applies

- (1) The powers exercisable under this Law in respect of a person who lacks capacity shall not (subject to paragraph (2)) be exercisable in respect of a person under 16 years of age.
- (2) The Court, or a delegate appointed to do so under Part 4, may make decisions in relation to a person’s property and affairs even though the person has not reached the age of 16, if the Court considers it is likely that the person will lack capacity to make such decisions when he or she reaches that age.

3 Principles to be applied

- (1) In the application of this Law –
- (a) a person must be assumed to have capacity, unless it is shown that the person lacks capacity in the sense given to that expression by Article 4;
 - (b) a person is not to be treated (under Article 5 or otherwise) as unable to make a decision –
 - (i) unless all practicable steps to enable that person to make the decision have been taken without success, nor
 - (ii) merely because the person makes an unwise decision;and
 - (c) an act done, or a decision made, on behalf of a person lacking capacity must be done or made in the person’s best interests.
- (2) Without derogation from the generality of the principle stated in paragraph (1)(c), before an act is done or a decision is made which is restrictive of the person’s rights and freedom of action, regard must be had to whether the purpose for which the act or decision is needed can be achieved as effectively in a less restrictive way.
- (3) In paragraph (1)(b) and Articles 2, 4, 5 and 6, “decision” means a decision which is not excluded by the operation of Article 7.

4 Lack of capacity

- (1) For the purposes of this Law, a person lacks capacity in relation to a matter if, at the material time –

- (a) the person is unable to make his or her own decision in relation to the matter (as further provided by Article 5); because
 - (b) he or she suffers from an impairment or a disturbance in the functioning of his or her mind or brain.
- (2) For the purpose of the application of paragraph (1)(b) it does not matter –
- (a) whether the impairment or disturbance is permanent or temporary; nor
 - (b) what the cause of the impairment or disturbance may be.
- (3) Lack of capacity cannot be established merely by reference to –
- (a) a person's age or appearance; or
 - (b) a person's condition, or an aspect of a person's behaviour, which might lead others to make unjustified assumptions about the person's capacity.
- (4) In proceedings under this Law or any other enactment, the question as to whether a person lacks capacity for the purposes of this Law must be decided on the balance of probabilities.

5 Inability to make a decision

- (1) For the purpose of the application of Article 4(1)(a), a person is unable to make his or her own decision if he or she cannot –
- (a) understand information relevant to that decision;
 - (b) retain the information for a period, however short, which is sufficient to make the decision;
 - (c) use or weigh the information in making the decision; or
 - (d) communicate the decision (whether by speech, sign language, or any other means).
- (2) Information relevant to a decision includes information about the reasonably foreseeable consequences of deciding one way or another, or of failing to make the decision.

6 Best interests

- (1) For the purposes of this Law, a determination as to what is in the best interests of a person lacking capacity –
- (a) must not be made merely on the basis of –
 - (i) the person's age or appearance, or
 - (ii) any other aspect of his or her condition or behaviour;
 - (b) must not be made unless, so far as reasonably practicable, the person lacking capacity has been permitted, encouraged and supported to participate as fully as possible in any act done for or any decision affecting that person; and
 - (c) must consider all relevant circumstances, including in particular the matters set out in paragraphs (2) to (4).

- (2) Such a determination must include consideration of whether it is likely that the person lacking capacity will at some time have capacity in relation to the matter in question, and if so, when that is likely to be.
- (3) Such a determination must include consideration, so far as the following matters are reasonably ascertainable, of –
 - (a) the past and present wishes and feelings of the person lacking capacity as to the matter in question (including in particular any advance decision to refuse treatment or other written statement made by that person at a time when that person did not lack capacity);
 - (b) the beliefs and values of that person which would be likely to influence that person's decision if that person did not lack capacity;
 - (c) any other factors which that person would be likely to consider if that person did not lack capacity.
- (4) Such a determination must take into account, if it is practicable and appropriate to consult the following persons, the views of –
 - (a) anyone named by the person lacking capacity as someone to be consulted on the matter in question or matters of that kind;
 - (b) anyone engaged in caring for that person or interested in that person's welfare;
 - (c) any person on whom authority is conferred under a lasting power of attorney granted by that person and applicable to the matter in question; and
 - (d) any delegate appointed by the Court under Part 4.
- (5) A determination relating to life-sustaining treatment shall be not regarded as being in the best interests of a person lacking capacity if the determination is motivated by a desire to bring about that person's death.
- (6) In the case of an act done or decision made under this Law by a person other than the Court, it is sufficient if (having complied with the requirements of paragraphs (1) to (5)) the person reasonably believes that the act or decision is in the best interests of the person lacking capacity on whose behalf the act is done or the decision is made.

7 Excluded decisions

- (1) Nothing in this Law shall be taken to permit –
 - (a) consent to be given, on behalf of another person, to –
 - (i) marriage or a civil partnership,
 - (ii) sexual relations,
 - (iii) a decree of divorce, or (in relation to a civil partnership) a dissolution order being made,
 - (iv) a child's being placed for adoption by the Adoption Service,
 - (v) the making of an adoption order,
 - (vi) organ donation, or
 - (vii) fertility treatment; or

- (b) a decision to be made, on behalf of another person, on the discharge of parental responsibilities in matters other than those relating to a child's property.
- (2) The States may by Regulations amend paragraph (1) for the purpose of adding or removing any matter listed in that paragraph.
- (3) Nothing in this Law authorizes anyone –
 - (a) to give a patient treatment for mental disorder; or
 - (b) to consent to such treatment being given to a patient,if, at the time when it is proposed to give the treatment, the patient's treatment is regulated by Part 6 of the Mental Health Law.
- (4) In paragraph (3) "treatment" has the meaning given by Article 1(1) of the Mental Health Law, and paragraph (3) may be disapplied, by Regulations made under Article 46 of that Law, in relation to a child who is capable of understanding the nature, purpose and likely effects of the treatment.
- (5) Nothing in this Law permits a decision on voting at an election for any public office, or in a referendum, to be made on behalf of another person.

8 Permitted acts in connection with care and treatment of persons lacking capacity

- (1) Paragraph (2) applies, subject to Article 9, to an act done by one person ("C" in this Part) in connection with the care and treatment of another person ("P" in this Part), but only if –
 - (a) before doing the act, C has taken reasonable steps to establish whether P lacks capacity in relation to the matter in question; and
 - (b) when doing the act, C reasonably believes –
 - (i) that P lacks capacity in relation to the matter in question, and
 - (ii) it will be in P's best interests for the act to be done.
- (2) C does not incur any liability for an act to which this paragraph applies (a "permitted act") which C would not have incurred if P –
 - (a) had had capacity to give consent in relation to the matter in question; and
 - (b) had consented to C's doing the act.
- (3) Nothing in this Article –
 - (a) excludes any civil or criminal liability of C resulting from C's negligence in doing a permitted act; or
 - (b) affects the operation of Part 3.

9 Certain acts of restraint etc. which are not permitted

- (1) An act by C which is intended to restrain P is not a permitted act, unless –
 - (a) C reasonably believes that it is necessary to do the act in order to prevent harm to P; and

- (b) the act is a proportionate response to –
 - (i) the likelihood of P’s suffering harm, and
 - (ii) the seriousness of that harm.
- (2) For the purposes of paragraph (1), C restrains P if C –
 - (a) uses, or threatens to use, force to secure the doing of an act which P resists; and
 - (b) restricts P’s liberty of movement, whether or not P resists or objects to the restriction.
- (3) Article 8(2) and this Article do not generally authorize C to do any act which conflicts with a valid decision made by –
 - (a) any other person appointed under a LPA granted by P; or
 - (b) a delegate appointed for P by the Court.
- (4) But an act described in paragraph (3) may be a permitted act, where the act involves –
 - (a) providing life-sustaining treatment; or
 - (b) doing anything which C reasonably believes to be necessary to prevent a serious deterioration in P’s condition,while awaiting a decision of the Court in respect of any relevant issue.

10 Payments by, and on behalf of, person lacking capacity

- (1) If necessary goods or services are supplied to a person who lacks capacity to contract for the supply, that person must pay a reasonable price for the goods or services.
- (2) In paragraph (1), “necessary” means suitable, at the time of supply, to the person’s condition in life and to his or her actual requirements.
- (3) If a permitted act involves payment, C may –
 - (a) use money in P’s possession –
 - (i) to meet the payment, or
 - (ii) as reimbursement for payment made on P’s behalf by C;
 - (b) be otherwise indemnified by P; and
 - (c) pledge P’s credit for the purpose of the payment.
- (4) Paragraph (3) does not affect any other power under which C or any person –
 - (a) has lawful control of P’s money or other property; or
 - (b) has power to spend money for P’s benefit.

PART 2**LASTING POWERS OF ATTORNEY****11 “Lasting power of attorney”: nature and definition**

- (1) In this Law, “lasting power of attorney” or “LPA” refers to a power of attorney –
 - (a) by which one person, who is aged 18 years or older and has capacity to do so (“P” in this Part), confers –
 - (i) on another person, who is a person fulfilling the requirements of Article 12(1) (“A” in this Part),
 - (ii) authority to make decisions about all or any of the matters specified in paragraph (2); and
 - (b) which includes authority to make such decisions in circumstances where P lacks capacity to do so.
- (2) The matters mentioned in paragraph (1)(a)ii are –
 - (a) P’s health and welfare, or specified matters concerning P’s health and welfare (and an instrument, or the part of an instrument, which deals with such matters is referred to in this Part as a “health and welfare LPA”); or
 - (b) P’s property and affairs, or specified matters concerning P’s property and affairs (and an instrument, or the part of an instrument, which deals with such matters is referred to in this Part as a “property and affairs LPA”).
- (3) Authority conferred by any LPA may be made subject to such conditions or restrictions as may be specified in the LPA.
- (4) In particular, and without derogation from paragraphs (1) to (3), a property and affairs LPA may include provision permitting the exercise (whether generally or in specified circumstances) of A’s powers under the LPA where P does not lack capacity.
- (5) In this Part, reference to an instrument is to a form or other instrument by which a lasting power of attorney is conferred or purports to be conferred.

12 Persons appointed by LPA

- (1) A lasting power of attorney may confer authority on one or more persons, but –
 - (a) an individual person must for this purpose be aged 18 years or over; and
 - (b) a property and affairs LPA may not confer authority on a person who is subject to a declaration of bankruptcy in Jersey or any insolvency or proceedings of a similar nature to bankruptcy in any place outside Jersey.

- (2) Where authority is conferred on more than one person, the instrument may provide that such persons are to act –
 - (a) in respect of all matters either jointly, or jointly and severally; or
 - (b) in respect of some specified matters, jointly and in respect of others, jointly and severally.
- (3) To the extent that any instrument does not make express provision as envisaged by paragraph (2), it is to be assumed that all persons on whom it confers authority are to act jointly.
- (4) If an instrument provides that persons are to act jointly and severally, and any one of those persons does not fulfil a requirement in paragraph (1)(a) or (b) –
 - (a) the instrument shall not take effect in the case of that person; but
 - (b) this shall not prevent a lasting power of attorney being conferred on the other persons.
- (5) An instrument used to create a lasting power of attorney –
 - (a) cannot give a person power to appoint a substitute or successor; but
 - (b) may itself appoint persons to act as substitutes on the occurrence of an event mentioned in Article 17(3) to (5).
- (6) Where authority is conferred by a lasting power of attorney upon 2 or more persons, “A” in this Part refers to all or any of those persons.

13 Formalities for creation and registration of LPA

- (1) A lasting power of attorney is not validly created in Jersey unless –
 - (a) the instrument purporting to create it complies with the requirements of this Part, and with the requirements as to execution in, and prescribed under, Part 1 of the Schedule; and
 - (b) it is registered by the Judicial Greffe in accordance with the requirements as to registration in Part 2 of the Schedule.
- (2) Where a power of attorney is first registered (by “original registration”) in a jurisdiction of the British Islands other than Jersey, it may have effect in Jersey –
 - (a) if such evidence as to the original registration as the States may by Regulations require is provided to the Judicial Greffe; and
 - (b) for so long as the original registration validly subsists,
as though it were a lasting power of attorney created and registered in Jersey under paragraph (1), and for this purpose the Judicial Greffe shall register and deal with such a power of attorney in accordance with Part 2 of the Schedule subject to such modifications as the States may by Regulations make to the Schedule for this purpose.

14 Scope of LPA: health and welfare

- (1) Authority conferred by a health and welfare LPA –

- (a) does not extend to making decisions about P's personal welfare in circumstances other than those where P lacks capacity or A reasonably believes that P lacks capacity to make such decisions;
 - (b) is subject to the provisions of Part 3 (as to advance decisions to refuse treatment); and
 - (c) extends, subject to paragraph (2), to giving or refusing consent to the carrying out or continuation of treatment by a person providing health care for P.
- (2) Paragraph (1)(c) –
- (a) does not authorize the giving or refusing of consent to the carrying out or continuation of life-sustaining treatment, unless the instrument contains express provision to that effect; and
 - (b) is subject to any conditions or restrictions in the instrument.

15 Scope of LPA: property and affairs

- (1) The authority conferred by a property and affairs LPA may include –
- (a) to the extent provided by paragraph (2) and not otherwise, a right to dispose of P's property by making gifts; and
 - (b) power to do, or secure the doing of, anything necessary or expedient –
 - (i) for the maintenance or other benefit of P, P's family or dependents, and
 - (ii) for the payment of P's debts, whether legally enforceable or not.
- (2) Subject to any conditions or restrictions in the instrument, A may make gifts of P's property –
- (a) on customary occasions to persons (including A) who are related to or connected with P; and
 - (b) to any charity to which P made gifts or might have been expected to make gifts,
- if the value of each such gift is not unreasonable having regard to all the circumstances and in particular to the size of P's estate.
- (3) For the purposes of paragraph (2), a "customary occasion" means –
- (a) the occasion or anniversary of a birth or marriage or formation of a civil partnership; and
 - (b) any other occasion on which presents are customarily given within families or among friends and associates.

16 Scope of LPA: general

- (1) A person on whom authority is conferred by lasting power of attorney is to be treated as P's agent in relation to anything done in accordance with the instrument and in the exercise of that authority.

- (2) In the absence of any condition or provision to the contrary in the instrument, a person on whom authority is conferred by lasting power of attorney –
 - (a) may, in the exercise of that power, do, or secure the doing of, anything which appears to the person to be necessary or expedient to be done to be in P's best interests;
 - (b) may be reimbursed (subject to such limit as may be prescribed, whether by reference to a proportion of P's property or to an amount or otherwise) out of P's property for reasonable expenses in the discharge of functions when acting in the exercise of that power.

17 Revocation etc. of LPA

- (1) This Article applies where –
 - (a) P has executed an instrument with a view to conferring a lasting power of attorney; or
 - (b) a lasting power of attorney is registered as having been conferred by P.
- (2) At any time when P has capacity to do so, P may revoke the lasting power of attorney (and in this Article, a reference to revocation includes revocation of the instrument by which the power is created).
- (3) A declaration of bankruptcy in relation to P has effect to revoke a property and affairs LPA conferred by P.
- (4) Subject to paragraph (6), an event occurring in relation to A which is listed in paragraph (5) has effect to revoke the lasting power of attorney and to terminate A's appointment under it.
- (5) The events mentioned in paragraph (4) are –
 - (a) disclaimer of the appointment by A, in accordance with such requirements as may be prescribed for that purpose;
 - (b) A's death;
 - (c) subject to paragraph (7) and Article 12(4), a declaration of bankruptcy in relation to A;
 - (d) subject to paragraph (8), dissolution or annulment of a marriage or civil partnership between P and A; and
 - (e) A's own lack of capacity.
- (6) An event occurring in relation to A which is listed in paragraph (5) has effect to terminate A's appointment but does not revoke the lasting power of attorney, if –
 - (a) A is replaced by a substitute, under the terms of the instrument; or
 - (b) A is one of 2 or more persons appointed to act jointly and severally in respect of any matter and, after the event, at least one such person (other than A) remains.

- (7) A declaration of bankruptcy in relation to A does not terminate A's appointment or revoke authority conferred on A to the extent that the authority relates to P's health and welfare.
- (8) Dissolution or annulment of a marriage or civil partnership does not terminate A's appointment nor revoke a lasting power of attorney if the instrument provided that such an event was not to do so.
- (9) In this Article, "bankruptcy" includes any insolvency or proceedings of a similar nature to bankruptcy in any place outside Jersey.

18 Protection where LPA not valid

- (1) Paragraphs (2) and (3) apply where –
 - (a) an instrument has been registered as a lasting power of attorney; but
 - (b) a lasting power of attorney was not created (whether or not the registration is cancelled at the time of an act or transaction mentioned in paragraphs (2) to (4)).
- (2) When acting in purported exercise of a lasting power of attorney, A does not incur any liability (to P or any other person) unless at the time of so acting –
 - (a) A knows that no lasting power of attorney has been created; or
 - (b) A is aware of circumstances which, if a lasting power of attorney had been created, would have terminated A's appointment.
- (3) Any transaction between A and another person is, in favour of that person, as valid as if a lasting power of attorney had been in existence unless at the time of the transaction that other person –
 - (a) knows that no lasting power of attorney has been created; or
 - (b) is aware of circumstances which, if a lasting power of attorney had been created, would have terminated A's appointment.
- (4) If the interest of a purchaser depends on whether a transaction between A and another person was valid by virtue of paragraph (3), it shall be conclusively presumed in favour of the purchaser that the transaction was valid if the other person makes an affidavit –
 - (a) either before, or within 3 months following, the completion of the purchase; and
 - (b) stating that the person did not at the material time know of the termination of A's appointment.

19 Powers of Court in relation to creation and validity of LPA

- (1) The Court may determine any question arising as to whether –
 - (a) one or more of the requirements for the creation of a lasting power of attorney have been met; or
 - (b) a lasting power of attorney has been revoked or otherwise come to an end.

- (2) The powers conferred by paragraph (3) may be exercised if the Court is satisfied –
 - (a) that fraud or undue pressure was used to induce P –
 - (i) to execute an instrument for the purpose of creating a lasting power of attorney, or
 - (ii) to create a lasting power of attorney;
 - or
 - (b) that any person on whom authority is conferred by a lasting power of attorney has behaved, is behaving, or proposes to behave in a way which contravenes that authority or is otherwise not in P's interests.
- (3) Where the Court is satisfied as mentioned in paragraph (2), the Court may –
 - (a) direct that an instrument purporting to create a lasting power of attorney is not to be registered; and
 - (b) if P lacks capacity to do so, revoke the purported instrument or the lasting power of attorney.
- (4) In exercising the power conferred by paragraph (3)(b), the Court may revoke a lasting power of attorney in part only, including only to the extent that it confers authority on any particular person or is intended to do so.

20 Powers of Court in relation to operation of LPA

- (1) The Court may determine any question as to the meaning or effect of a lasting power of attorney or of any instrument purporting to confer authority by a lasting power of attorney.
- (2) The Court may give directions –
 - (a) with respect to a decision which is within the authority conferred on A by a lasting power of attorney, if P lacks capacity to make the decision; and
 - (b) as to –
 - (i) the rendering of reports or accounts by A and the production of records kept by A for the purpose of such reports or accounts, and
 - (ii) A's remuneration or expenses,
if P lacks capacity to do so.
- (3) The Court may give any consent or authorization to act which A would otherwise have had to obtain from P if P had capacity to give it, and in particular may authorize the making of gifts which are not permitted by Article 16.
- (4) The Court may require A to supply information, or to produce documents or any other things, which are within A's possession as a result of the authority conferred on A by a lasting power of attorney.

- (5) The Court may relieve A wholly or partly from any liability which A has or may have incurred as a result of breach of duties imposed on A by a lasting power of attorney.

PART 3

ADVANCE DECISIONS TO REFUSE TREATMENT

21 Decisions to which this Part applies

- (1) In this Part, “advance decision” means a decision made by a person aged 16 years or over who has capacity to make the decision (“P” in this Part), that specified treatment is not to be carried out or continued by a person providing health care for P, if –
- (a) at a later time and in such circumstances as P may specify, the treatment is proposed to be carried out or continued; and
 - (b) at that time P lacks capacity to consent to the treatment.
- (2) For the purposes of paragraph (1) –
- (a) a decision made before the coming into force of this Part may, if it otherwise fulfils the requirements as to validity and applicability in Article 22, be treated as an advance decision; and
 - (b) a decision may be regarded as specifying a treatment or circumstances even though the decision is expressed in non-medical terms.

- (4) For the purposes of paragraph (2)(b), and for the avoidance of doubt –
 - (a) P is not to be regarded as subject to a significant restriction on liberty where P is wholly incapable of leaving the relevant place because of physical impairment; and
 - (b) any limit as to the time or duration of any assistance provided to P, which does not excessively or unreasonably disadvantage P, shall not be taken to mean that assistance is not provided.
- (5) The States may by Regulations amend this Article.

- (a) the duty imposed by Article 43(3) applies to M;

 - (c) it is in P's best interests to be provided with care or treatment in circumstances which would amount to a significant restriction on P's liberty.
- (2) An application under paragraph (1) must be in writing and in such form as may be required under a code of practice under Article 68, but in any event must contain the following matters –

 - (b) that for the purposes of such care or treatment, P is or will be subject to a significant restriction on his or her liberty.
- (3) Where this Article applies, M must –
 - (a) unless paragraph (4) applies, notify the Minister of the matters in paragraphs (1) and (2); and

- (b) in any event, make a request (in such form and manner, if any, as may be prescribed) for an assessment to be carried out in accordance with Article 44.
- (4) M is not obliged to notify the Minister of the matters in paragraph (1) and (2) if M reasonably believes that the Minister is already aware of those matters, but for the avoidance of doubt the admission of a person into guardianship does not prevent this Article applying.

44 Manner of assessment

- (1) The assessor appointed by the Minister under Article 41(2) must carry out an assessment in accordance with this Article and in a timely manner so as to enable a report to be provided within the time limit in Article 45(1)(b).
- (2) The assessment must be carried out by means of one or more interviews –
 - (a) with P; and
 - (b) in any case where –
 - (i) the assessor is not a registered medical practitioner, or
 - (ii) there is no medical evidence of P’s lack of capacity at the date of the assessment,with a registered medical practitioner, in accordance with paragraph (3), who has seen P immediately before the assessment.
- (3) For the purposes of paragraph (2)(b), the registered medical practitioner must be –
 - (a) the registered medical practitioner who is responsible for P’s care and treatment; or
 - (b) if there is no such practitioner as described in sub-paragraph (a), a registered medical practitioner designated by the Minister for the purpose.
- (4) The assessment may include interviews with or representations from such other persons, if any, as are listed in paragraph (5) and as may in the assessor’s view be appropriate.
- (5) The other persons mentioned in paragraph (4) are –
 - (a) P’s guardian, if any;
 - (b) any person on whom authority has been conferred by a health and welfare LPA;
 - (c) any delegate appointed by the Court with responsibility for matters relating to P’s health and welfare;
 - (d) any person otherwise nominated by P, if P has capacity to make such a nomination; and
 - (e) any other person who is P’s nearest relative.
- (6) The assessment must be such as will enable the assessor to form a view in respect of each of the following matters (the “capacity and liberty matters”), namely –

- (a) whether P lacks capacity in relation to giving consent to the arrangements for his or her care or treatment in the relevant place;
 - (b) whether it is necessary to impose, as a component of that care or treatment, a significant restriction on P's liberty in the interests of P's health or safety;
 - (c) if so, whether it is in P's best interests to be provided with care or treatment in circumstances where such a restriction will be imposed.
- (7) For the purpose of carrying out an assessment, the assessor –
- (a) shall be permitted at all reasonable times –
 - (i) to visit P in the relevant place,
 - (ii) to interview P either privately or, where there is in relation to P a person listed in paragraph (5), in the presence of that person, and
 - (iii) to inspect and take copies of all medical or other records relating to P and kept by the Minister, the Commission, M, or any other provider of care or treatment to P; and
 - (b) may interview or otherwise receive representations from M or any person listed in paragraph (5).
- (8) The States may by Regulations make further provision as to the conduct of assessments under this Part, including (without derogation from the generality of this power) provision as to –
- (a) the information which may be sought by assessors or to which they must have regard in carrying out assessments;
 - (b) persons who may be consulted by assessors for the purpose of carrying out assessments; and
 - (c) the content to be included by assessors in their reports.

45 Report of assessment

- (1) A report of an assessment must be provided to the Minister –
- (a) in accordance with paragraphs (2) to (6); and
 - (b) no later than 21 days from the date of the appointment of an assessor under Article 41(2).
- (2) The report must be in writing and must –
- (a) set out the assessor's view as to the capacity and liberty matters;
 - (b) state whether to the assessor's knowledge –
 - (i) a lasting power of attorney has been conferred on any person by P under Part 2, or
 - (ii) the Court has appointed any delegate to act for P under Part 4,
- in relation to decisions as to P's health and welfare, and if so identify the person or delegate concerned;

- (c) state whether to the assessor's knowledge P has made an advance decision to refuse treatment under Part 3, and if so set out the terms of that decision;
 - (d) identify any persons such as are listed in Article 44(5) who have been consulted or interviewed by the assessor, and summarize the views of such persons as to the capacity and liberty matters; and
 - (e) subject to paragraphs (3) and (4), set out recommendations as to the nature and extent of any significant restrictions on P's liberty which, in all the circumstances, the assessor considers should be imposed.
- (3) In forming a view as to the capacity and liberty matters and in making recommendations under paragraph (2)(e), the assessor must consider whether any proposed restrictions on P's liberty are a proportionate response to –
- (a) the likelihood of P's suffering any harm; and
 - (b) the seriousness of that harm, should it occur.
- (4) In addition to the matters to be included in the report under paragraph (2), a report may make such other recommendations in relation to P's care as appear to the assessor to be appropriate.
- (5) Where P has made an advance decision to refuse treatment, an assessor may not recommend the imposition of any significant restriction on P's liberty which would be incompatible with the terms of that decision.
- (6) Where –
- (a) P is subject to guardianship under the Mental Health Law; and
 - (b) the assessor forms the view, in considering the matter under Article 44(6)(b), that it is necessary to impose a significant restriction on P's liberty,
- the report must also state whether it is considered that the restriction is one which may lawfully be imposed by P's guardian.
- (7) Where to the assessor's knowledge there are, in relation to P, no such persons as are listed in Article 44(5), the report must contain a statement to this effect.
- (8) Where the assessor has consulted or interviewed, in relation to P, any person listed in Article 44(5) –
- (a) the assessor must inform that person of any recommendations made in relation to P; and
 - (b) if the assessor recommends that a significant restriction be imposed on P's liberty which is incompatible with a view expressed by that person, the assessor must explain in the report the specific reasons for that recommendation.
- (9) A copy of the report must be provided to M, and may be provided to P, at the same time as any authorization based on the report, or, if no authorization is given, as soon as reasonably practicable.

46 Effect of report

- (1) If the report of an assessment is negative, no standard authorization may be granted under this Part, and no further assessment may be carried out unless –
 - (a) M considers that a material change in P’s circumstances justifies a fresh application for assessment, and M makes a request to the Minister accordingly;
 - (b) M considers that an assessment of P was mistaken in a material respect and M informs the Minister of the mistake; or
 - (c) in the absence of a request under paragraph (a), the Minister otherwise becomes aware of a material change in P’s circumstances and considers that the change justifies a further assessment.
- (2) A report which is not affirmative as to each of the capacity and liberty matters is described in this Part as negative, and a report is also negative if –
 - (a) the assessment to which it relates did not enable the assessor to form a view as to the capacity and liberty matters; or
 - (b) where P is a person subject to guardianship under the Mental Health Law, all of the significant restrictions on P’s liberty which are recommended by the report may, in the assessor’s view, lawfully be imposed by P’s guardian.
- (3) For the purposes of this Part a report is affirmative if in the assessor’s view –
 - (a) P lacks capacity in relation to giving consent to the arrangements for his or her care or treatment in the relevant place;
 - (b) it is necessary to impose, as a component of that care or treatment, a significant restriction on P’s liberty in the interests of P’s health or safety; and
 - (c) it is in P’s best interests to be provided with care or treatment in circumstances where such a restriction will be imposed.

47 Record of assessments etc.

The Minister must keep, in such manner and for such period as may appear to the Minister to be necessary, a record of –

- (a) all assessments carried out; and
- (b) all authorizations granted,

under this Part, together with copies of reports of all such assessments.

48 Standard authorizations

- (1) This Article applies where the Minister is satisfied that –
 - (a) an assessment of P has been duly completed in accordance with Articles 44 and 45; and

- (b) the report of the assessment is affirmative.
- (2) Where this Article applies, the Minister may authorize the imposition of significant restrictions on P's liberty for a period of no longer than 12 months beginning with the authorization.
- (3) As soon as practicable following an authorization under paragraph (2) (a "standard authorization"), the Minister must give notice in writing of the authorization to the assessor and to M, and a code of practice under Article 68 may make further provision as to the form and content of the authorization to be given under paragraph (2), but such authorization must at least specify –
 - (a) P's name;
 - (b) M's name and the name of any other registered person concerned;
 - (c) the date (or if applicable, the occurrence of such event) on which, and the period during which, the authorization is to take effect;
 - (d) having regard to Article 45(2)(e), the nature and extent of the significant restrictions on P's liberty which are permitted to be imposed by the authorization; and
 - (e) any conditions or directions relating to the imposition of such restrictions.
- (4) Despite paragraph (3)(d) the Minister may authorize significant restrictions to be imposed on P's liberty which are different (whether in specific respects or by their nature) to any such restrictions as may have been recommended by the assessor.
- (5) Where the Minister considers it is in P's best interests to do so, the Minister may authorize a significant restriction which conflicts with a decision of –
 - (a) a person on whom P has conferred a lasting power of attorney under Part 2; or
 - (b) a delegate appointed by the Court under Part 4,

but nothing in this Article shall be taken to permit the Minister to authorize a significant restriction on P's liberty which conflicts or would conflict with a valid advance decision made by P under Part 3.

49 Rectification etc. of reports and recommendations

- (1) Where it appears to the Minister or to M that the report of an assessment is incorrect or defective –
 - (a) the error or defect in question may be rectified –
 - (i) by the Minister, or
 - (ii) with the consent of the Minister, by the assessor who made the report; and
 - (b) the report shall have effect (and be deemed to have had effect) as though made originally without the error or defect.
- (2) Without prejudice to paragraph (1), if it appears to the Minister that a recommendation in any report of an assessment is insufficient to warrant

the imposition of a significant restriction on P's liberty, the Minister must as soon as reasonably practicable give notice in writing –

- (a) to the assessor, of the insufficiency; and
 - (b) to M, of the fact that the recommendation is to be disregarded.
- (3) Where notice is given under paragraph (2), the report which contained the recommendation shall nevertheless be deemed to be (and always to have been) sufficient if –
- (a) a fresh recommendation made in accordance with Article 45(2)(e) and which is not defective in any respect is provided to the Minister within the period of 14 days beginning with the date on which the notice was given; and
 - (b) that recommendation, taken together with any other recommendation relating to the same assessment, is sufficient to warrant the imposition of the significant restriction.

50 P to be notified of authorization etc.

- (1) As soon as practicable following the grant of any authorization, M must take all such steps as are reasonable to ensure that P understands –
 - (a) the effect of the authorization in relation to P, and in particular the nature and extent of the significant restriction on P's liberty which is authorized by it; and
 - (b) the rights of advocacy, support, representation and review which are available to P under this Law in respect of the authorization.
- (2) As soon as practicable following a negative assessment or the termination of any authorization, M must take all such steps as are reasonable to ensure that P understands the effect of that assessment or (as the case may be) termination in relation to P.
- (3) The steps to be taken under paragraphs (1) and (2) include giving the information required by that paragraph both in writing (and where appropriate, this may include giving to P a copy of the report of the relevant assessment) and orally, having regard to P's ability to understand that information, however given.
- (4) Subject to paragraph (5), at the same time as or within a reasonable time of giving information to P under paragraph (1) or (2), M must also take all such steps as are reasonable to provide the same information to any person known to M who is, in relation to P, a person such as listed in Article 44(5).
- (5) Where, at the time information is given to P under paragraph (1) or (2), no independent capacity advocate has been appointed in respect of P by the Minister under Article 51, the information must be given to any advocate so appointed as soon as practicable following his or her appointment.

51 Advocates to be appointed

- (1) This Article applies where, in respect of P –
 - (a) the report on an assessment contains a statement such as mentioned in Article 45(7); and
 - (b) a standard authorization has been granted.
- (2) Where this Article applies the Minister must, as soon as practicable after granting the authorization, nominate an independent capacity advocate to represent P.
- (3) The Minister must satisfy him or herself that any person to be nominated as an independent capacity advocate under this Article is a fit and proper person to be so nominated, in accordance with Part 6 and with any further provision made by Regulations under that Part as to such nominations.
- (4) The nomination of an independent capacity advocate under this Article –
 - (a) shall be without prejudice to the continuing authority of any person on whom such authority has been conferred by P under a lasting power of attorney or of any delegate appointed by the Court; and
 - (b) shall continue for the duration of the authorization, and if any vacancy arises the Minister must immediately appoint another person in accordance with this Article and any Regulations such as mentioned in paragraph (3).

52 Renewal of standard authorization

- (1) A standard authorization may not be renewed except in accordance with this Article.
- (2) This Article applies where, within the period of 28 days ending with the date on which, unless it were renewed, a standard authorization would expire, M considers that it is necessary to continue to impose a significant restriction on liberty authorized by the standard authorization.
- (3) Where this Article applies M must give notice requesting a renewal –
 - (a) to the Minister, in such form as may be prescribed for the purpose; and
 - (b) no later than the end of the period mentioned in paragraph (2).
- (4) Where the Minister receives a request duly made under paragraph (3), the Minister must as soon as practicable appoint an assessor to carry out a further assessment of P (a “renewal assessment”).
- (5) Articles 44 to 51 shall apply to a renewal assessment as though references in those Articles to an assessment were to a renewal assessment, except that Article 44(6)(a) shall apply as though for the words “whether P lacks capacity” in that sub-paragraph there were substituted the words “whether P continues to lack capacity”.
- (6) If the report of a renewal assessment is affirmative, the Minister –
 - (a) may, if satisfied that it is appropriate to continue the significant restriction on liberty, renew the standard authorization; and

- (b) may do so with or without variation, in accordance with any fresh recommendation made by the assessor under Article 45(2)(e).

53 Standard authorization: review by manager

- (1) Where a standard authorization is in effect, M must keep under review the necessity for the significant restriction on P's liberty which it authorizes.
- (2) Paragraph (3) applies if, at any time during the period for which a standard authorization is in effect, it appears to M that –
 - (a) P has regained capacity in relation to the question of how his or her care should be provided, and does not consent to a restriction authorized by the standard authorization; or
 - (b) it is no longer –
 - (i) necessary in the interests of P's health or safety, or
 - (ii) in P's best interests,to continue to impose a restriction so authorized.
- (3) Where this paragraph applies, M must cease to impose the significant restriction, and shall inform the Minister of that fact and of the date on which the restriction ceased to be imposed.

54 Continuity of authorization: changes of place and in management

- (1) Where P is to be moved from the relevant place to which an authorization (including an order of the Court) under this Part relates (the "first relevant place"), to another relevant place (the "new place"), the manager of the first relevant place must notify the Minister of the proposed change.
- (2) Following notification under paragraph (1), unless the Minister otherwise directs the authorization in question shall continue in effect as though for the first relevant place there were substituted the new place.
- (3) Where one person ceases to be the manager (the "original manager") of a relevant place in relation to which an authorization has effect, and a different person (the "new manager") has that function, the change shall take effect as described in paragraph (4).
- (4) For the purposes of the authorization and of this Part –
 - (a) anything done by or in relation to the original manager in connection with the authorization has effect as if done by or in relation to the new manager;
 - (b) anything which is in the process of being done by or in relation to the original manager may be continued by or in relation to the new manager.
- (5) But solely by virtue of this Article the original manager does not cease to be, and the new manager does not become, liable for anything done in relation to the authorization by the original manager prior to the substitution.

55 Review of authorizations by Tribunal

- (1) A request for a review of an authorization may be made to the Tribunal –
 - (a) in accordance with paragraph (2);
 - (b) by an application for the purpose made by –
 - (i) P, or a person who is listed in Article 44(5) on behalf of P,
 - (ii) an independent capacity advocate nominated to represent P under Article 51,
 - (iii) the Minister, or
 - (iv) the Attorney General.
- (2) During the period for which an authorization is in effect, no more than one application may be made under paragraph (1), whether by or on behalf of P.
- (3) The Minister may by Order –
 - (a) make further provision as to the form and manner of application to be made under paragraph (1);
 - (b) make provision as to the conduct of proceedings before the Tribunal following receipt by the Tribunal of such an application; and
 - (c) without prejudice to paragraph (4) or(5), make further provision as to the powers of the Tribunal in dealing with the application and carrying out its review.
- (4) Following receipt of a request under paragraph (1) the Tribunal must review –
 - (a) the standard authorization;
 - (b) the reports of relevant assessments; and
 - (c) such other information as the Tribunal may consider relevant (including but not limited to, any matters as to which the Minister may make provision under paragraph (3)).
- (5) Following its review of the matters specified in paragraph (4) the Tribunal must –
 - (a) make a fresh determination as to the capacity and liberty matters; and
 - (b) determine –
 - (i) whether the significant restrictions on P’s liberty authorized by the standard authorization should remain in effect, and
 - (ii) if so, for what period.
- (6) For the purposes of this Article the Tribunal may make orders –

- (1) The Minister may do all such things as are reasonably necessary for the purposes of monitoring –
 - (a) the application and use of authorizations; and
 - (b) the operation of significant restrictions on liberty authorized by them.

- (3) The Minister may also make further provision by way of a code of practice under Article 68, as to the operation of the provisions of this Part and as to records which must be kept in relation to such operation.

57 Powers of Court in relation to grant etc. of authorizations

- (1) Without derogation from any other power conferred on the Court by this Law or any other enactment, or by its inherent jurisdiction, the Court may, if the conditions stated in paragraph (2) are fulfilled, make an order authorizing the imposition of a significant restriction on P's liberty.
- (2) The conditions mentioned in paragraph (1) are –
 - (a) that P lacks capacity in relation to giving consent to the arrangements for his or her care or treatment; and
 - (b) that it is both necessary in the interests of P's health or safety, and in P's best interests, to impose significant restrictions on P's liberty.
- (3) An order of the Court under paragraph (1) must state –
 - (a) P's name;
 - (b) M's name, and the name of any registered person concerned;
 - (c) the name of any registered provider within the meaning of the Registration of Care (Jersey) Law 2014⁶;

 - (f) any conditions or directions in relation to the imposition of any such significant restriction (in particular, but not limited to, directions as to the frequency of review); and
 - (g) the full grounds for the Court's decision, with regard in particular to paragraph (2) and sub-paragraphs (d) to (f) of this paragraph.

- (4) In its determinations as to the matters described in paragraph (3)(d) to (f), the Court must have particular regard to the medical evidence available before it.
- (5) The Court may authorize significant restrictions on P's liberty which differ from any such restrictions as may have been recommended under any other provision of this Part.
- (6) Nothing in this Article shall be taken to permit the Court to authorize a significant restriction on P's liberty which conflicts or would conflict with a valid advance decision made by P under Part 3.
- (7) Where the Court considers it is in P's best interests to do so, the Court may authorize a significant restriction which conflicts with a decision of –
 - (a) a person on whom P has conferred a lasting power of attorney under Part 2; or
 - (b) a delegate appointed by the Court under Part 4.
- (8) Articles 50, 51, 54, 56 and 60 shall apply with all necessary modifications to an order of the Court under this Article as they apply in relation to a standard authorization.

58 Appeals

- (1) A person aggrieved by a decision of the Tribunal may appeal to the Court against that decision on a point of law.
- (2) The power to make rules of Court under the Royal Court (Jersey) Law 1948⁷ shall extend to making rules for the purpose of the conduct of, and proceedings in, appeals under paragraph (1).

- (4) No decision of the Tribunal shall be invalidated solely by reason of procedural irregularity, unless that irregularity was such as to prevent a party to the proceedings from presenting his or her case fairly before the Tribunal.

59 Temporary restriction of liberty for purpose of life-sustaining treatment

- (1) Notwithstanding the preceding provisions of this Part, a person ("D") may impose a significant restriction on P's liberty where the restriction is necessary in the interests of P's health or safety as described in paragraph (2), for the duration of any treatment or act mentioned in that paragraph.
- (2) For the purposes of paragraph (1), a restriction shall be considered to be necessary in the interests of P's health and safety if –

- (a) the restriction is wholly or partly for the purpose of, and consists wholly or partly of –
 - (i) giving P life-sustaining treatment, or
 - (ii) doing any act which D reasonably believes to be necessary to prevent a serious deterioration in P's condition;and
- (b) the restriction is necessary in order to give that treatment or do that act.

60 Authorization as authority to take and convey P

An authorization (including an order of the Court) under this Part shall be sufficient authority, at any time within the period of 72 hours beginning with the time at which the authorization is given –

- (a) for M or any other person authorized by M for the purpose to take P and convey him or her to the relevant place; and
- (b) for M to admit P and detain him in the relevant place for such period as may be specified in the authorization.

PART 6

INDEPENDENT CAPACITY ADVOCATES

61 Application of this Part, and interpretation

- (1) This Part applies to make provision for the appointment of independent capacity advocates –
 - (a) to represent and support any person lacking capacity in respect of certain decisions (“P”), as further provided by Articles 64 and 65;
 - (b) to carry out such other functions as are described in Article 63 and as provided by Regulations made under that Article; and
 - (c) for the purposes of Part 5 as provided by Article 51.
- (2) In this Part –
 - “advocate” means an independent capacity advocate appointed under Article 62; and
 - “M” means the Minister and any other person having responsibility for P's care or treatment.

62 Appointment of independent capacity advocates

- (1) The States may by Regulations require the Minister to make such arrangements for the appointment of advocates –
 - (a) as are in accordance with provision made by the Regulations and further described in paragraphs (2) and (3); and

- (b) as the Minister, having regard to paragraph (4), may consider reasonable.
- (2) Regulations under paragraph (1) may in particular make provision including (but not limited to) provision –
 - (a) as to the qualifications to be required of persons who may be appointed;
 - (b) as to the procedure for appointment and terms and conditions of appointment;
 - (c) requiring M to report to the Commission on any concerns arising from the dealings between P and P's independent capacity advocate;
 - (d) as to the circumstances in which the appointment may end or be terminated and the formalities for doing so; and
 - (e) as to the nature and level of payments (whether by way of fees, or reimbursement of expenses) which may be made to advocates.
- (3) For the purpose of enabling advocates to carry out their functions, Regulations may further make provision as to the powers of advocates –
 - (a) to interview P and any other of P's representatives; and
 - (b) to examine and take copies of any documents, records or other information kept by the Minister, the Commission or the manager of a relevant place, which may be relevant to the exercise of a function by an advocate.
- (4) In making arrangements under paragraph (1), the Minister must have regard to the principle that P should, so far as practicable, be represented and supported by a person who is independent of any person who is responsible for a proposed act or decision relating to P.

63 Functions of independent capacity advocates

- (1) The functions to be carried out by advocates include (but are not limited to) –
 - (a) providing support to P so that P may participate as fully as possible in any decision concerning P or P's best interests;
 - (b) obtaining and evaluating information in relation to representing and supporting P and P's best interests;
 - (c) ascertaining what, if P had capacity, would be P's wishes and feelings in relation to particular matters, or would be the beliefs and values likely to influence P;
 - (d) obtaining further medical opinion about proposed medical treatment of P; and
 - (e) ascertaining what courses of action may be available in relation to P, in addition or in the alternative to any such proposed treatment.
- (2) The States may by Regulations –
 - (a) further make provision as to circumstances in which advocates may challenge, or provide assistance for the purpose of

challenging, any decision under this Law affecting P or P's best interests; and

- (b) amend paragraph (1).

64 Support where serious medical treatment is proposed

- (1) This Article applies where –
- (a) M proposes to provide, or secure the provision of, serious medical treatment for P;
 - (b) P lacks capacity to consent to the proposed treatment; and
 - (c) M is satisfied that there is no person, other than one engaged in a professional capacity or for remuneration in providing care or treatment for P, whom it would be appropriate to consult in determining whether the proposed treatment would be in P's best interests.
- (2) Where this Article applies, M must, subject to paragraph (3), instruct an advocate to represent P before the proposed treatment may be provided.
- (3) If, in the opinion of M, the proposed treatment needs to be provided as a matter of urgency, it may be provided even though the requirement in paragraph (2) has not been fulfilled.
- (4) In providing or securing the provision of treatment for P, M must take into account any information given or submissions made on behalf of P by the advocate instructed under paragraph (2).
- (5) For the purposes of this Article “serious medical treatment” means treatment of a kind which involves providing, withholding or withdrawing treatment in circumstances where –
- (a) in a case where a single treatment is proposed, there is a fine balance between the potential benefit to P of such treatment and the burdens and risks it is likely to entail;
 - (b) in a case where there is a choice of treatments, a decision as to which treatment to use is finely balanced; or
 - (c) the proposed treatment would be likely to involve serious consequences for P.
- (6) The States may by Regulations amend the definition in paragraph (5).

65 Support where provision of or change in accommodation is proposed

- (1) This Article applies where M proposes to make arrangements –
- (a) for the provision of accommodation for P in a hospital, or in an approved care home as defined by Article 1 of the Long-Term Care (Jersey) Law 2012⁸ (including a change to any existing provision of accommodation for P);
 - (b) P lacks capacity to consent to such arrangements; and
 - (c) M is satisfied that there is no person, other than one engaged in a professional capacity or for remuneration in providing care or

treatment for P, whom it would be appropriate to consult in determining whether the proposed arrangements would be in P's best interests.

- (2) This Article does not apply –
 - (a) where P is accommodated as a result of an obligation imposed under the Mental Health Law; or
 - (b) where P is a person in respect of whom Article 51 applies.
- (3) Where this Article applies, M must instruct an advocate to represent P before making the proposed arrangements, unless –
 - (a) the accommodation is likely to be provided for a continuous period which is less than the applicable period; or
 - (b) the proposed arrangements need to be made as a matter of urgency.
- (4) If either of the grounds in paragraph (3)(a) or (b) apply, but M subsequently has reason to believe that the accommodation is likely to be provided for a continuous period –
 - (a) beginning with the day on which accommodation is first provided in accordance with the proposed arrangements; and
 - (b) ending on or after the expiry of the applicable period,M must instruct an advocate to represent P.
- (5) In making arrangements for P's accommodation or a change in P's accommodation, M must take into account any information given or submissions made on behalf of P by the advocate instructed under paragraph (3) or (4).
- (6) For the purposes of this Article the "applicable period" means –
 - (a) in relation to accommodation in a hospital, 28 days; and
 - (b) in relation to accommodation in an approved care home, 8 weeks.

PART 7

MISCELLANEOUS AND GENERAL PROVISIONS

66 Research involving persons lacking capacity

- (1) The States may by Regulations make provision as to the extent to which, and the circumstances in which, it may be lawful to conduct intrusive research involving, or in relation to, a person ("P") who lacks capacity to consent to such research.
