(5) The power conferred by paragraph (4) to specify further operations and activities shall include power consequentially to amend this Part and Article 7.

PART 2
PORTS OF JERSEY LTD.

3 Establishment of Ports of Jersey Ltd.

(1) There shall be a company known as Ports of Jersey Ltd. (“POJL”).

(2) POJL shall be a company limited by shares and capable of being a transferee company in the sense given to that term by Part 5.

(3) The Minister for Treasury and Resources shall, following consultation with the Minister –

(a) appoint the first Chairman of the Board of directors of POJL; and

(b) determine the terms and conditions of service which are applicable to the first Chairman of the Board on appointment.

(5) Subject to paragraph (6), the Minister for Treasury and Resources shall exercise, in relation to POJL, the powers of the States in their capacity of holder of securities in a company, but in doing so the Minister for Treasury and Resources shall act –
   (a) in the interests of the States in that capacity; and
   (b) in such a way as to encourage sustainable growth in the economy of Jersey in the medium to long term.

(6) The following powers may not be exercised by the Minister for Treasury and Resources unless directed to do so by the States and in accordance with any such direction, namely –
   (a) powers to dispose of shares or share rights in POJL and to create or dispose of security interests over, or otherwise charge, such shares or share rights;

   (a) with regard to its primary object as defined in Article 5; and
   (b) in compliance with conditions imposed by or in connection with any licence granted under Part 3.

(2) If and to the extent that any Order or direction made by a competent authority in relation to port operations is in contravention of or conflicts with one or more of its objects, or with a condition mentioned in paragraph (1), POJL shall comply with that Order or direction.

(3) POJL shall at all times exercise its powers so as not to conflict with –
   (a) the administration by the DCA of an aerodrome or of airport operations in the interests of aviation safety and security; or
   (b) the administration by a harbour authority or the Harbour Master of a harbour or of harbour operations in the interests of maritime safety and security.

(3) The function listed in sub-paragraph (c) of paragraph (1) shall be discharged by POJL in accordance with any agreement for the purpose with the Minister for Treasury and Resources and, in relation to a particular harbour, in consultation with the Connétable of the Parish in which the harbour in question is situated.

(4) The Minister may (following consultation with POJL, and with any other Minister concerned in respect of a particular function) by Order amend this Article to add, remove or modify a particular function and the manner of discharge of that function.

PART 3
LICENSING OF PORT OPERATORS

Chapter 1

Requirement for licence

7 Licences needed to carry out port operations

(1) Subject to paragraphs (2), (3) and (7), no person may carry out port operations in Jersey unless that person is a licensee under a licence which is in force at the time when the person is carrying out such operations.

(2) For the avoidance of doubt, the prohibition in paragraph (1) does not apply to the States or to any Minister, department or administration of the States.

(3) The prohibition in paragraph (1) does not apply in relation to any operation or activity –

(a) which falls within the definition “port operations” but is carried out in pursuance of an Order or directions made by a competent authority;

(b) which falls within the definition “harbour operations” but is the provision of a facility or a service in a harbour or territorial waters designated by –

(i) the Harbour Master, prior to the coming into force of the Schedule, or

(ii) the relevant harbour authority, after the coming into force of the Schedule, as directed by the Minister under Regulation 4 of the Harbours (Jersey) Regulations 1962; or

(c) which is specified as one of the public service obligations of POJL.

(4) A licence under this Article may be granted by the JCRA in respect of airport operations or harbour operations or both, but in every case shall specify the particular operation or activity, or nature or class of operation or activity, in respect of which the licence is granted.

(5) Article 14 makes further provision as to the powers of the JCRA in relation to the grant and content of licences.
(6) Nothing in this Article or in Articles 14 or 15 shall be taken as precluding the grant of an exclusive licence where in the JCRA’s opinion such a grant is appropriate.

(7) The JCRA may grant an exemption from paragraph (1) –
(a) subject to any direction by the Minister; and
(b) where relevant, having regard to any public service obligation in respect of harbour operations.

(8) An exemption under paragraph (7) –
(a) may be granted to a particular person or particular class of persons;
(b) may be granted subject to such conditions as the JCRA thinks fit;
(c) if granted to a particular class of persons, shall be published; and
(d) shall continue in force for such period as may be specified in the exemption.

8 Duty of licensee to comply with conditions

(1) A licensee shall comply with any conditions (as to which Chapter 2 of this Part makes further provision) –
(a) under Article 14(6)(b), upon the terms of which the licence in question is granted;
(b) under Article 15, in relation to port operations and contained in the licence.

(2) A contravention of a condition described in paragraph (1) does not of itself amount to a contravention of the requirement in Article 7(1), except that if and to the extent that a particular port operation is prohibited by a condition contained in a licence, the licensee shall not carry out that operation.

9 Enforcement of requirement by persons aggrieved

(1) Compliance with Article 7(1) is a duty owed to any person who may be aggrieved by a failure to comply.

(2) Where the duty mentioned in paragraph (1) is owed to a person –
(a) a breach of the duty which causes loss or damage to that person; or
(b) any act which, by inducing a breach of the duty or by interfering with its performance, causes loss or damage to that person and is done wholly or partly for that purpose,
shall be actionable by that person.

10 Enforcement of requirement by Minister or JCRA

Where there is a failure to comply with Article 7(1), the Minister or the JCRA may bring civil proceedings for an injunction or such other relief as the Court may deem appropriate, to compel compliance with that provision.
11 Offences

A person who –

(a) acts in contravention of the prohibition in Article 7(1) or of the prohibition in Article 43(1);

(b) offers to do anything, or represents that they are able or willing to do anything, which if carried out would be a contravention of either of those prohibitions; or

(c) acts in contravention of a prohibition contained in a licence as described in Article 8(2),

shall be guilty of an offence and liable to imprisonment for a term of 12 months and a fine.

12 Other licences and permits

The provisions of this Part are in addition to, and do not derogate from, any requirement for a licence or permit imposed by or under any other enactment and in particular –

(a) in relation to aerodromes, by or under Part 3 of the Civil Aviation (Jersey) Law 2008 and the Air Navigation (Jersey) Law 2014;

(b) in relation to harbours, by or under the Harbours (Jersey) Regulations 1962 and the Harbours (Inshore Safety) (Jersey) Regulations 2012.

13 Suspension of requirement for licence

(1) The Minister may by Order suspend in whole or in part the operation of Article 7 –

(a) after consultation with the JCRA as to doing so;

(b) if the Minister considers that it is in the public interest to do so;

(c) on such terms and subject to such conditions as the Minister thinks fit; and

(d) for such period (not being a period beginning before the making of the Order) as shall be specified in the Order.

(2) The Minister may not amend an Order made under paragraph (1) so as to extend the period of suspension for longer than a total period of 6 months beginning with the date of making of the Order.

(3) The power conferred on the Minister by paragraph (1) shall not be exercised more than once in respect of a particular set of circumstances, except to revoke or amend an Order made under that paragraph.
Chapter 2

Licences

14 Grant of licences

(1) An application for a licence shall be made to the JCRA in writing and in such form and containing such particulars as the JCRA may require.

(2) The JCRA may grant a licence or refuse the grant of a licence as it thinks fit.

(3) Without derogation from the generality of paragraph (2), the JCRA may refuse the grant of a licence where at any time during the period of 5 years preceding the date of the application, the applicant has failed –

(a) to pay such fee in respect of a licence (whether the licence for which application is made, or any other licence) as may have been due under Article 16;

(b) to provide such information as may reasonably have been required in connection with the application for a licence under paragraph (1);

(c) to comply with a direction under Article 18 in respect of any licence other than the licence for which application is made; or

(d) to pay a financial penalty imposed on the applicant under Article 20 in relation to the contravention of a condition contained in a licence other than the licence for which application is made.

(4) A licence must be in writing and must specify the name of the licensee and the period for which the licence will remain in force.

(5) A licence may be granted authorizing the licensee –

(a) to conduct port operations generally; or

(b) to conduct only such port operations as may be specified in the licence.

(6) A licence –

(a) may be granted unconditionally; or

(b) the grant of the licence, the licence itself, or both may be limited by such conditions as the JCRA may think fit, including (but not limited to) conditions of any of the kinds described in Article 15.

15 Conditions in licence

(1) A licence may contain conditions which, in the opinion of the JCRA, are necessary or desirable, including but not limited to conditions relating to, or imposing requirements for, any one or more of the following –

(a) the management and conduct of port operations in respect of which the licence is granted (in this Article, “licensed operations”);

(b) standards of performance in the conduct of licensed operations;
(c) competition in the conduct of licensed operations and in relation to facilities used in the conduct of licensed operations;

(d) the co-location and sharing of services and facilities, and of access thereto, in relation to or for the conduct of licensed operations;

(e) the creation or upholding by the licensee of specified rights in or over land or facilities used in the conduct of licensed operations;

(f) mechanisms for receiving and resolving complaints against the licensee by users within Jersey of services provided under the licence;

(g) requiring the licensee to make what, in the opinion of the JCRA, is a fair contribution to the costs of another licensee incurred –
   (i) in the performance of an operation or activity pursuant to a public service obligation, or
   (ii) because the other licensee is required to perform any kind of cross-subsidized operation or activity;

(h) the implementation of any directions or guidance given to the JCRA under Article 27, which in the opinion of the JCRA can be implemented only by, or with the assistance of, the licensee;

(i) the levels of prices, premiums and discounts which may be charged or (as the case may be) allowed by a licensee having a dominant position in the conduct of port operations;

(j) prohibiting, regulating or requiring the provision of a particular operation or activity; or

(k) preventing or controlling anti-competitive behaviour.

(2) A licence may contain conditions regulating the terms and conditions to be included in any contract between the licensee and –

(a) any user in Jersey of services provided under the licence in connection with port operations; or

(b) any provider of such services to the licensee.

(3) A licence may contain conditions requiring the licensee –

(a) to provide such information relating to the conduct of licensed operations by the licensee, and to do so in such form and at such times, as the JCRA may reasonably require;

(b) to pay to the JCRA –
   (i) any fee falling due upon application for or grant of a licence, in accordance with Article 16(1)(a),
   (ii) any periodical payment determined under Article 16(1)(b),
   (iii) any payment in respect of a consent or determination mentioned in this paragraph;

(c) not to do, or not to continue or cease to do, anything specified under the licence without the JCRA’s prior written consent;

(d) to refer for determination by the JCRA any specified question or class of question, and to abide by or act upon such a determination;

(e) to comply with any direction given by the JCRA in respect of anything to which the licence relates.
(4) For the purposes of paragraph (3) the JCRA shall have power to give, refuse or revoke a consent, determination or direction mentioned in that paragraph.

16 Licence fees

(1) The JCRA may determine –
(a) the amount of any fee payable on application for a licence or upon grant of a licence;
(b) any periodical payment due under the terms or conditions of a licence, and the period in respect of which it is payable.

(2) For the purposes of sub-paragraph (1)(b) –
(a) the JCRA may determine such a payment at a level which enables the JCRA to recover in whole or in part any of its costs attributable to the performance of its functions under this Law (whether such costs are actual, projected, direct or apportioned);
(b) the payment or fee may be fixed as a percentage of the turnover or profit of a licensee or a member of a class of licensees.

(3) A payment or fee for which this Article makes provision shall be recoverable as a civil debt due to the JCRA.

17 Modification of conditions

(1) The JCRA may –
(a) of its own motion, following consultation with the licensee; or
(b) on the application of the licensee,
modify or decline to modify any condition contained in a licence by virtue of Article 15, as the JCRA sees fit.

(2) The power to modify a condition conferred by paragraph (1) includes power to insert a new condition or to amend or delete a condition, but any new condition or amended condition –
(a) must be a condition which a licence may contain by virtue of this Chapter; and
(b) shall be taken, as from the date of the modification, to be a condition contained in the licence by virtue of Article 15.

18 Direction to comply with licence conditions

(1) Where in the opinion of the JCRA a licensee is, or acts, in contravention of a condition contained in a licence, the JCRA may give a direction to the licensee in accordance with this Article for the purpose of ensuring compliance with the condition.

(2) If the JCRA is minded to give a direction under paragraph (1), the JCRA shall give notification to the licensee which –
(a) sets out the direction which the JCRA proposes to give to the licensee under paragraph (1);

(b) specifies the period during which the licensee has an opportunity to –

(i) make representations about the matters notified,

(ii) comply with any conditions referred to in the notification in respect of which the licensee remains in contravention, or

(iii) remedy the consequences of any contraventions referred to in the notification.

(3) Subject to paragraphs (4) and (5), the period specified in the notification under paragraph (2)(b) shall be the period of 28 days beginning with the day after the day on which the notification is given.

(4) The period specified in the notification may be shorter if –

(a) the JCRA has reasonable grounds for believing that the contravention in respect of which it is proposing to make a determination is a repeated contravention; and

(b) the JCRA has determined that, in those circumstances, a shorter period would be appropriate.

(5) The period specified in the notification may be longer, or may be extended by a further period to be specified in writing, if the JCRA determines that in all the circumstances a longer period would be appropriate.

(6) A notification under this Article –

(a) shall be in writing;

(b) may be given in respect of more than one contravention; and

(c) if it is in respect of a continuing contravention, may be given in respect of any period during which the contravention has continued.

(7) For the purposes of paragraph (4)(a), a repeated contravention is a contravention of the same condition in respect of which the JCRA has given a notification or direction under this Article less than 12 months earlier than the notification now being given.

(8) The JCRA shall not give a direction if it is satisfied that –

(a) its duties under Article 26 preclude the giving of such a direction;

(b) the contravention of the condition is trivial; or

(c) the licensee is taking effective steps to comply with the condition and to remedy any deleterious effects of the contravention.

(9) A direction under this Article shall –

(a) be in writing addressed to the licensee;

(b) specify the licence to which it relates, the condition contravened and the manner of the contravention; and

(c) require the licensee to act or not to act in a manner specified.

(10) A direction may –
(a) require the licensee to take such steps within such period as may be specified in the direction; and
(b) be modified at any time by the JCRA giving a fresh direction in accordance with this Article.

19 Enforcement of directions: civil proceedings

(1) The obligation to comply with a direction is a duty owed by the licensee to any person who may be affected by the failure to comply with the direction.

(2) Where the duty mentioned in paragraph (1) is owed to a person –
   (a) a breach of the duty which causes loss or damage to that person; or
   (b) any act which, by inducing a breach of the duty or by interfering with its performance, causes loss or damage to that person and is done wholly or partly for that purpose,

   shall be actionable by that person.

(3) In any proceedings brought against a licensee under paragraph (2)(a), it shall be a defence for the licensee to prove that the licensee took all reasonable steps and exercised all due diligence to comply with the direction.

reasonable hours or supply copies of such document or text at reasonable cost.

   (b) may effect the transfer of property that would not otherwise be capable of being transferred or assigned.

(2) In particular, a transfer may take effect (as and to the extent specified in Regulations made under this Part) regardless of any contravention of, or interference with, a right or interest that would otherwise exist by reason of any provision (whether in an enactment or otherwise) subsisting in relation to the terms on which the transferor is entitled to the right or interest in question.

(3) As and to the extent specified in transfer Regulations, a transfer may consist of a transfer of an interest which is less than the entire interest of the Public subsisting in the property immediately before the transfer.
