12 Name of charity

- (1) For the purpose of Article 11(4)(e), the name of an entity is undesirable as the registered name of a charity if, in the opinion of the Commissioner, the name –
 - (a) is the same as, or too similar to, the name of any other registered charity;

- (2) If the Commissioner registers the entity, the Commissioner must –
 - (a) enter the name of the entity in the register (the “registered name”); and
 - (b) allocate a number in respect of the registration, and enter that number (“the registration number”) in the register.
- (3) A registered charity may apply to the Commissioner for permission to change its registered name or to add an alternative registered name.
- (4) The Commissioner must refuse permission if, in his or her opinion, any of the grounds in sub-paragraphs (a) to (d) of paragraph (1) applies in relation to the proposed name.
- (5) If the Commissioner grants permission, and the registered charity notifies the Commissioner that it has changed or added the name accordingly, the Commissioner must enter on the register the new or alternative registered name.
- (6) If a registered charity reports a matter relating to its registered name under Article 13(6)(b), the Commissioner may require the charity to apply to change its registered name under paragraph (3).
- (7) A registered charity must not use any name other than –
 - (a) its registered name or one of its registered names; or
 - (b) another name that –
 - (i) is related to such a name, and
 - (ii) is not, in the opinion of the Commissioner, undesirable within the meaning of paragraph (1), in the context in which it is used.

13 Effects of registration

- (1) Paragraphs (2) to (4) apply while an entity is registered as a charity, and only cease to apply if the entity is deregistered.

- (2) Any provision of the entity's constitution or constitutional Law is of no effect to the extent that it purports to permit an amendment of the purposes of the entity to include a purpose that is not charitable.
- (3) Any provision of the entity's constitution or constitutional Law that purports to permit an amendment of the purposes of the entity to add or substitute a different charitable purpose, is to be read as being subject to the entity –
 - (a) providing evidence, to the satisfaction of the Commissioner, of a reason justifying the proposed amendment; and
 - (b) obtaining the Commissioner's prior approval of the proposed amendment.
- (4) The entity must –
 - (a) provide public benefit in accordance with its registered public benefit statement; and
 - (b) if it requests the Commissioner's approval of a proposed amendment to that statement, provide evidence, to the satisfaction of the Commissioner, of a reason justifying that request.
- (5) A registered charity must, while it is entered in the restricted section of the register, ensure –
 - (a) that it meets the condition, prescribed under Article 9(2), as to which the Commissioner was satisfied under Article 9(6)(b); or
 - (b) if, before it ceased to meet that condition, the Commissioner gave prior permission for it to remain entered in the restricted section on the basis of a different condition prescribed under that Article, that it meets that condition as specified in that permission.
- (6) A registered charity must promptly report to the Commissioner –
 - (a) a change in a matter about which information is entered on the register (whether in the general or restricted section) in relation to that charity;
 - (b) any other matter, coming to light after registration or after permission for a change of name, that could, if known before the registration or permission, have led to the Commissioner refusing to register the charity, refusing to accept the name of the charity, or entering it in a different section;
 - (c) a proposal to change the charity's constitution;
 - (d) a proposal that could result, or an event that has resulted in the charity ceasing to meet the requirements of Article 11(4)(c) or (d);
 - (e) a reportable matter, in relation to a governor of the charity, if the charity is aware that the governor has not promptly reported it to the Commissioner under Article 19(2);
 - (f) a matter likely to lead to the charity becoming bankrupt, being wound up or otherwise ceasing to exist;
 - (g) if the charity is entered in the restricted section, a proposal to change how or whether the charity meets a condition prescribed under Article 9(2); and

-
- (h) any other matter prescribed by the Minister by Order for this purpose.
- (7) A registered charity must send an annual return to the Commissioner, containing information as to any matter falling within paragraph (6) arising during the year to which the return relates, and as to any other matter prescribed by the Minister by Order for this purpose.
- (8) An Order under paragraph (7) may also make provision as to the format and timing of the annual return, the consequences of lateness, and the content of any entries to be made on the register in respect of the annual return.
- (9) The Minister may by Order –
- (a) require a registered charity to include in its annual return details of a prescribed description of any payment made, during the year to which the return relates, by or on behalf of the registered charity to a governor, or to a person having a prescribed connection with a governor;
 - (b) require a registered charity to provide to the Commissioner a statement of its current intentions as to making any payments of such a prescribed description in future;
 - (c) provide for the entry on the register by the Commissioner of the details included under sub-paragraph (a) in the charity's latest annual return, and of the statement provided under sub-paragraph (b).
- (10) The Minister may by Order, after consulting the Commissioner and any body appearing to the Minister to be representative of interested registered charities, provide that any provision of paragraph (6) or (7), or of any Order under paragraph (7), (8) or (9) –
- (a) does not apply to a prescribed description of charity appearing to the Minister to require relief from the burden of that provision by virtue of the small size, or lack of resources or expertise of charities of that description; or
 - (b) applies to a prescribed description of charity only subject to a modification prescribed by the Order, being a modification that appears to the Minister to give reasonable relief from the burden of that provision, having regard to the small size, or lack of resources or expertise of charities of that description.
- (11) A registered charity –
- (a) must not make any payment that is inconsistent with a statement provided under paragraph (9)(b);
 - (b) may apply to the Commissioner, with reasons, for permission to amend that statement.
- (12) If the States make Regulations under Article 11(7), those Regulations may also make provision requiring a registered charity or its governors (or both) to avoid, or report and remedy, a situation arising at a time after registration, being a situation in which, if the charity were at that time applying for registration, there would be grounds under those Regulations to refuse that application.

- (13) If a court-approved fidéicomis or an incorporated 1862 association becomes registered as a charity under this Law, paragraphs (2) and (3) do not apply to that registered charity to the extent that they are inconsistent with any order made, whether before or after registration under this Law, by the court under the Loi of 1862.

14 Powers of court over registered charity

- (1) The court may exercise any of the powers set out in paragraph (2) in relation to a registered charity if, on an application by the Commissioner or the Attorney General, it appears to the court –
- (a) that there is or has been misconduct in the administration of the charity; or
 - (b) that it is necessary or desirable to exercise the power for the purpose of protecting the property of the charity or securing a proper application of that property in accordance with the charity's registered charitable purposes and registered public benefit statement.
- (2) The court may make any order that the court sees fit to remedy the misconduct, protect the property and secure its proper application.
- (3) Without prejudice to the generality of paragraph (2), the orders that the court may make include an order –
- (a) prohibiting (whether for a specified or indefinite period) the charity or a governor from –
 - (i) referring to or holding out the entity as a charity or Jersey charity, or as being charitable, having charitable purposes or providing public benefit,
 - (ii) soliciting donations from the public, as specified in the order, or
 - (iii) taking any other action specified in the order;
 - (b) appointing a person (whether a specified or indefinite period) to manage the affairs of the charity in place of its governors;
 - (c) appointing a person to be a governor of the charity;
 - (d) suspending or removing a governor of the charity, or any other person concerned in the management or control of the charity;
 - (e) requiring a person (including without prejudice a person carrying on regulated financial services business) who holds property on behalf of the charity, or on behalf of a governor of the charity, not to part with the property without the court's consent;
 - (f) restricting the transactions that may be entered into, or the nature or amount of the payments that may be made, in the administration of the charity without the court's consent;
 - (g) making the administration of the charity subject to such supervision, restraint or conditions, from such time, and for such periods, as the court may specify;
 - (h) requiring a governor who appears to the court to have engaged in any misconduct, or any other person who appears to be responsible

for any misconduct, to take such steps as the court may direct to remedy the effects of the misconduct;

- (i) making such ancillary provision as the court thinks desirable.
- (4) The court may, on the application of the Commissioner, the Attorney General, the registered charity or any person to whom the order was directed, amend or revoke any order made under this Article.
- (5) The powers of the court under this Article apply –
 - (a) in addition to and not in derogation from any powers of the court under any other enactment or under customary law; and
 - (b) despite anything in the constitution of the charity.
- (6) The powers of the court under this Article are without prejudice to any power of the Commissioner to take any action under this Law in respect of any misconduct.

15 Deregistration on application by entity

- (1) An entity that is a registered charity may apply to the Commissioner to terminate the registration of the entity as a charity (to “deregister” the entity).
- (2) An entity applying for deregistration must provide the Commissioner with any information or document requested by the Commissioner in relation to the entity’s proposals for the continuation or winding up of the entity and for the application of any of its property remaining after deregistration.
- (3) If the entity complies with paragraph (2) the Commissioner must –
 - (a) deregister the entity; or
 - (b) refuse to deregister the entity on grounds relating to the proposals mentioned in paragraph (2).

16 Deregistration in other cases

- (1) The Commissioner may, by written notice to an entity that is registered as a charity, deregister the entity if satisfied, after giving the entity written notice specifying reasons and inviting objections within a reasonable time specified in the notice, that it is proportionate to do so on the ground that –
 - (a) the entity no longer meets the charity test;
 - (b) the Commissioner was misled into registering the entity, whether by the entity or by any other person and whether intentionally or otherwise;
 - (c) the entity has failed to comply with a required steps notice; or
 - (d) any other circumstance prescribed by the Minister by Order applies.
- (2) If the Commissioner is satisfied that an entity that is registered as a charity no longer exists, the Commissioner must, by written notice to any person purporting to be a governor of the entity or to be responsible for the winding up of the affairs of the entity, deregister the entity.

17 Effects of deregistration

- (1) After deregistering an entity, the Commissioner –
 - (a) must retain the information registered in respect of that entity for 10 years; and
 - (b) must not assign the registered number of that entity to any other registered charity.
- (2) Paragraph (3) applies if the Commissioner –
 - (a) deregisters a charity under Article 16;
 - (b) is satisfied that the grounds for deregistration have existed since a past date;
 - (c) specifies that date in the notice under Article 16(1) or (2); and
 - (d) determines that the deregistration should take effect retrospectively.
- (3) The termination takes effect from the past date specified under paragraph (2)(c) for all purposes, including the purposes of any enactment relating to taxation, but subject to paragraph (4).
- (4) An act, that occurred before the date of the giving of the notice under Article 16(1) or (2) is not rendered an offence merely by virtue of the operation of paragraph (3).
- (5) Paragraphs (6) to (11) apply, after a charity is deregistered, if and so long as there remains any property of the charity that was acquired before it was deregistered (the “remaining property”).
- (6) The entity must continue to apply the remaining property for the purposes that were its registered charitable purposes immediately before deregistration (the “preserved charitable purposes”), and in accordance with the registered public benefit statement that was in effect immediately before deregistration (the “preserved public benefit statement”).
- (7) Despite any provision of the entity’s constitution, or of the constitutional Law of the entity, the entity has no power to amend the preserved charitable purposes or preserved public benefit statement.
- (8) The entity may apply to the court for an order amending the preserved charitable purposes or preserved public benefit statement, and the court may make such amending order, and any ancillary order, as it considers expedient to ensure that the remaining property continues to be applied for purposes that are, in the opinion of the court, charitable purposes and in a manner that, in the opinion of the court, provides public benefit.
- (9) The court may exercise any of the powers set out in Article 14 in relation to the deregistered entity, as if it were still registered, if, on an application by the Attorney General or a governor of the entity, it appears to the court –
 - (a) that there is or has been any conduct in the administration of the entity in relation to the remaining property, that would have been misconduct if the entity had not been deregistered; or
 - (b) that it is necessary or desirable to exercise the power for the purpose of protecting the remaining property or securing a proper application of the remaining property for the preserved charitable purposes of

the entity and in accordance with the preserved public benefit statement.

- (10) A governor may not apply under paragraph (9) unless the governor has first given notice to the Attorney General of the governor's intention to do so and of the reasons for that intention.
- (11) The Attorney General may at any time, by giving notice to the governor and the court, take over an application made by a governor under paragraph (9), and may then withdraw or proceed with the application as the Attorney General sees fit.

PART 5

 - (iii) to the best of the governor's ability and skill; and

to protect or restore the property of the charity or to prevent the misconduct.

19 Reportable matters and acting as a governor

- (1) A reportable matter in relation to a person is the fact that the person –
 - (a) has engaged in misconduct as a governor of a registered charity, being misconduct that led to the service of a required steps notice on that governor or on that charity or on another governor of that charity;
 - (b) is the subject of a disqualification order, or of any other restriction on his or her acting as a governor, imposed under this Law;
 - (c) has been disqualified from or for being a charity trustee or trustee for a charity under the law of any part of the United Kingdom, or from holding any equivalent position under the law of any other jurisdiction;

- (2) A governor of an entity applying for registration, or of a registered charity, must report any reportable matter promptly to that entity or charity and to the Commissioner.
- (3) A governor of an entity applying for registration must, if there is no reportable matter in relation to that governor, provide to the entity a declaration to that effect before the application is made.
- (4) A governor of a registered charity must, if there is no reportable matter in relation to that governor, provide to the charity a declaration to that effect when notified by the charity that it is preparing its annual return.
- (5) The entity must state in its application, and the registered charity must state in its annual return, that it has declarations from all of its governors who have not made a report under paragraph (2).
- (6) An application for registration is not complete if the entity has not complied with paragraph (5).
- (7) A registered charity that contravenes paragraph (5) must explain to the Commissioner the reason for the contravention.
- (8) A person must not act as a governor of a registered charity at any time when the person is in breach of paragraph (2) or (4).

-
- (9) If a governor reports a reportable matter to the Commissioner, the Commissioner –
- (a) must make inquiries to determine whether the governor is a fit and proper person to be a governor;
 - (b) may apply to the court to determine that issue under Article 20;
 - (c) must not, in the case of an application for registration, grant that application until the issue has been determined and any resulting order or notice complied with;
 - (d) may, in the case of a registered charity, by written notice to the charity, permit, either unconditionally or subject to any condition appearing to the Commissioner to be necessary, the governor to act as a governor until that issue is determined or the notice is withdrawn;
 - (e) must, if the issue is not to be determined by the court under subparagraph (b), on determining the issue –
 - (i) notify the entity that the application will be refused unless the governor is removed, or in the case of a registered charity serve a required steps notice requiring the charity to suspend or remove the governor, or
 - (ii) by notice in writing, entered in the register, give permission for the governor to act as a governor, either unconditionally or subject to any condition or time limit that appears to the Commissioner to be necessary.
- (10) A person must not act as a governor of a registered charity at any time after reporting a reportable matter, unless the governor –
- (a) is permitted to do so by the Commissioner under paragraph (9)(d) or (e)(ii), or by the court under Article 20; and
 - (b) does so in either case in accordance with any condition on that permission.
- (11) A person who without reasonable excuse contravenes paragraph (10) commits an offence and is liable to imprisonment for one year and to a fine.
- (12) Paragraphs (10) and (11) are not to be construed as requiring an act to be treated as void or invalid merely by virtue of the act constituting a contravention of paragraph (10).
- (13) If at any time the Commissioner suspects that a governor of a registered charity may have breached paragraph (2), the Commissioner may, without prejudice to any other of his or her powers, apply to the court to determine whether the governor is a fit and proper person to be a governor.

- (3) If it appears to the Commissioner or the Attorney General that it is or may be expedient in the public interest that a person should not, without the leave of the court, be a governor of or in any way whether directly or indirectly be concerned or take part in the management of a registered charity, the Commissioner or the Attorney General may apply to the court for an order to that effect against the person (a “disqualification order”).
- (4) The court may, on such an application or on an application under Article 19(9)(b) or (13), make a disqualification order if it is satisfied that the person is unfit to be concerned in the management of a registered charity, by virtue of –
- (a) the person’s conduct in relation to a registered charity, or to an entity applying for registration; or
 - (b) the seriousness of a reportable matter in relation to the person.
- (5) A disqualification order is to be for such period, not exceeding 15 years, as the court directs.
- (6) A person who contravenes a disqualification order commits an offence and is liable to imprisonment for 2 years and to a fine.
