MEETINGS

14

The Secretary shall convene a meeting of the Board on the request of the Chairman or of the Executive Committee or on the written request of a majority of members of the Board.¹³

15

Questions arising at any meeting of the Board or of a Committee thereof shall be decided by a majority of the votes of the members present and, if at any such meeting the votes are equally divided on any question, the Chairman of the meeting shall, for the purpose of deciding that question, have a second or casting vote.

16

All acts done at any meeting of the Board or of any Committee thereof shall, notwithstanding that it is afterwards discovered that there was some defect in the appointment, election or qualification of a person purporting to be a member

of the Board or of the Committee, or that a member of the Board had voted upon any question upon which the member was not entitled to vote, be as valid as if that defect had not existed or such member had been entitled to vote.

17

Minutes shall be kept of the proceedings of the Board and of every Committee thereof, and any such minutes shall, if signed by a person purporting to have acted as Chairman of the meeting to which the minutes relate or of a meeting at which they were read, be evidence of the proceedings at the first mentioned meeting, and the meeting to which any such minutes relate shall be presumed, until the contrary is proved, to have been regularly convened and constituted.

18

For the purpose of any proceedings a copy, purporting to be certified in writing by the Chairman or Vice-Chairman of the meeting or the Secretary of the Board to be a true copy of the minutes or of any part of the minutes of any meeting of the Board or of any Committee of the Board, shall be evidence of such proceedings of the said meeting as such minutes or part of the minutes purport to relate to, and until the contrary is proved, the meeting shall be presumed to have been regularly convened and constituted.

Any contract or instrument which, if entered into or executed by a person not being a body corporate, would not be required to be under seal, may be entered into or executed on behalf of the Board by any person authorized by the Board in that behalf, either generally or specially.

21

No contract to which the Board is a party shall be avoided by reason only that a member of the Board is also a party thereto or is interested therein, and a member of the Board who is a party to or interested in such a contract shall not, by reason only that the person is a member of the Board, be liable to account to the Board for any profit realized by the member by reason of the contract; but a member of the Board must forthwith disclose to the Board any interest which the member has or acquires in any contract to which the Board is a party. If such interest in the opinion of the other members of the Board in any way

conflicts with the member's duty as a member of the Board the member shall not vote upon any question relating to the contract and, if the member does vote, his or her vote shall not be counted:

Provided that a member of the Board shall not be precluding from voting on a question relating to the general policy of the Board with respect to any matter by reason only that the determination of that question will or may affect contracts which have been, or may thereafter be, entered into by the member with the Board.

PART 3

FINANCIAL PROVISIONS

22

There shall be established a fund (in this Scheme referred to as the "fund") which shall be administered and controlled by the Board. All moneys received by the Board shall be paid into the fund, and any moneys required by the Board for the operation of this Scheme shall be paid out of the fund. Any moneys for the time being standing to the credit of the fund may be left on current or deposit account in any bank or invested in any securities which the Board may think fit.

23

The Board may by resolution require every registered producer to contribute to the fund a sum not exceeding one penny in respect of every pot of milk delivered by the registered producer to the Board during such period as shall be prescribed in such resolution. Every such sum shall be recoverable by the Board as a civil debt.¹⁴

24

The Board may, for the purpose of exercising any of its functions under this Scheme, borrow money in such manner, on such terms, and on such security, as may be arranged by it with the person from whom the money is borrowed.

and expenditure account, as the case may be, the Board shall furnish to the Minister and to every registered producer a copy of the account and balance sheet and of the report of the auditor thereon, and also a report by the Board as to the working of this Scheme in the period covered by the profit and loss or income and expenditure account together with a statement as to the manner in which any moneys of the Board have been invested.

- (2) The Board shall, on the demand of any person and on payment by the person of such fee, not exceeding £1, as may be fixed by the Board, furnish the person with a copy of any one of its balance sheets.¹⁵

26

A person or firm other than a retiring auditor or auditors shall not be capable of being appointed auditor or auditors by the registered producers in general meeting unless notice of intention to nominate that person or firm to the office has been given by a registered producer to the Secretary of the Board not later than the fourteenth day before the meeting.

PART 4

27

The provisions of this Part and of paragraph 23 shall come into force at the expiration of the suspensory period, that is to say, at the expiration of a period of one month commencing on the date on which the result of the initial poll is declared to be favourable to the coming into force of this Scheme.

EXEMPTIONS

28

There shall be exempt from the operation of this Part –

- (a) all sales of milk by a producer to any of the producer's farm or domestic servants for consumption in that servant's household; and
- (b) producers or sales of such classes or descriptions (if any) as may from time to time be determined by prescriptive resolution of the Board.

PROHIBITION OF SALES BY UNREGISTERED PRODUCERS

29

Subject to the provisions of the Law with regard to existing contracts and to the provisions of this Part of this Scheme, a producer who is not a registered producer shall not sell any regulated produce either in Jersey or elsewhere.

GENERAL POWER TO REGULATE MARKETING**30**

Subject to the provisions of paragraph 28, the Board may regulate sales of any regulated produce by any registered producer by determining by prescriptive resolution all or any of the following matters, that is to say, the quality of such produce which may be sold, and the prices at, below or above which, and the terms on which, such produce may be sold by registered producers:

Provided that the Board shall at no time determine the price at, below or above which any regulated produce may be sold without having first invited the opinion of the Minister and given consideration to that opinion as communicated to the Board within 28 days of such invitation.

31

The Board may regulate the manner in which any regulated produce is to be graded, marked, stored, adapted or transported, for sale by or on behalf of registered producers.¹⁶

32

Subject to the provisions of paragraph 28, the Board may by prescriptive resolution require registered producers to sell any regulated produce, or such kind or description thereof as may from time to time be determined by the Board, only to or through the agency of the Board or to or through the agency of such persons as may be authorized by the Board for that purpose and, in such a case, the Board may determine the times at which, the days on which and the places at which delivery of such produce shall be made by registered producers or any of them.

33

If any registered producer contravenes any requirement made by the Board under paragraph 30, 31 or 32, the Board shall, subject to the provisions of paragraph 41, by resolution impose upon and recover from the registered producer such monetary penalty as the Board thinks just.¹⁷

MISCELLANEOUS POWERS**34**

The Board may –

- (1) buy any regulated produce;
- (2) produce from milk any products or by-products;
- (3) sell, grade, pack, store, adapt for sale, insure, advertise and transport any regulated produce;
- (4) buy and sell or let for hire to any registered producer, anything required, and to be utilized by the registered producer wholly or mainly, for the production, adaptation for sale or sale of any regulated produce;

- (6) encourage, promote or conduct schemes of co-operation among producers of any regulated produce, or research and education in connection with the production and marketing of any regulated produce.

DISTRIBUTION AND CONTRIBUTION OF MONEYS

35

- (1) In any case where a registered producer is required to sell any regulated produce, or any kind or description thereof, only to or through the agency of the Board, or to or through the agency of such persons as may be authorized by the Board for that purpose, the Board shall ensure that the purchase price of that produce, or of that kind or description thereof, shall be paid to the registered producer not later than the twentieth day of the month next following the accounting period in which the regulated produce, or that kind or description thereof, was sold.
- (2) For the purposes of this paragraph, the Board shall, during the month of November in each year, fix the accounting periods (not being less than 12 in number) for the following year and shall notify all registered producers accordingly.¹⁸

36

- (1) The Board shall from time to time determine what proportion of profits (if any) made by the Board shall be retained in the fund and what proportion shall be distributed to the registered producers.
- (2) Whenever the Board shall determine that profits shall be distributed to the registered producers such distribution shall be made in proportion to the respective quantities of milk sold by individual registered producers during the period in which the profit was made.

37

When any trading loss is made by the Board, the Board may from time to time determine by prescriptive resolution that the amount of money so lost shall be contributed to the Board by the registered producers in proportion to the respective quantities of milk sold by individual registered producers during the period in which the loss was made and the amount to be so contributed by any registered producer shall be recoverable by the Board as a civil debt.

SURPLUS FUNDS

38

The Board may set aside reserves and may utilise such reserves in the operation of this Scheme in such manner as the Board may think fit; but subject thereto any moneys standing to the credit of the fund which, in the opinion of the Board, are not distributable under the provisions of paragraph 36 after meeting the Board's administrative and other expenses and losses (if any) shall be

distributed in such manner as may be determined by a resolution passed at a general meeting of registered producers.¹⁹

39

The Board may, whenever it considers it necessary for the operation of this Scheme so to do, serve on any registered producer a demand in writing requiring the registered producer to furnish to the Board such estimates, returns and other information relating to any regulated produce as may be specified in the demand and if, without reasonable excuse, the registered producer fails to comply with the demand, or if the registered producer knowingly makes any false statement in reply thereto, then, subject to the provisions of paragraph 41, the Board shall by resolution impose upon and recover from the registered producer such monetary penalty as the Board thinks just.²⁰

40

Any person authorized in writing by the Board may, for the purpose of securing compliance with this Scheme, enter and inspect, at any reasonable time and on production of the person's authority, any part of the land or premises occupied by a registered producer (being a producer specified in the authority) which the person so authorized has reason to believe is used for producing or otherwise dealing with any regulated produce; and the registered producer shall afford reasonable facilities for such entry and inspection and for sampling. If any registered producer wilfully obstructs in the carrying out of the person's duties any person authorized under this paragraph, the Board shall, subject to the provisions of paragraph 41, by resolution impose upon and recover from that registered producer such monetary penalty as the Board thinks just.

- (6) Every penalty so imposed shall, subject as hereinafter provided, be recoverable by the Board as a civil debt;
- (7) Immediately on the passing of any resolution by the Board imposing a penalty, notice of the resolution shall be sent to the registered producer in question and the registered producer may, within one month from the day on which the notice was so sent to the registered producer, in writing require the Board to refer the matter to the Inferior Number of the Royal Court, and in such a case the Board shall so refer the matter. In any case where a matter is so referred, no proceedings shall be taken by the Board otherwise than for the purposes of the reference or of enforcing the award of the Court.²¹

42

The Board may convene general meetings of registered producers at such places and times as it may determine and the Board shall convene a general meeting of registered producers to be held within 15 days of delivery to the office of the Board of a requisition, signed by not less than 25 registered producers, stating clearly the purpose for which the meeting is to be convened.

55

Any registered producer who satisfies the Board, or establishes by arbitration in accordance with paragraph 54, that the Board has in any respect given an undue preference to any other registered producer, shall be entitled to receive from the Board such sums by way of compensation as may be necessary to make good any damage suffered by the registered producer by reason of the undue preference.

56

Where, by reason of a registered producer dying, or becoming subject to some legal disability, or entering into a composition or scheme or arrangement with the registered producer's creditors, any property in, or control of, the regulated producer is transferred from the registered producer to a personal representative, trustee, delegate, special and general attorney or other person, such person shall, for all the purposes of this Scheme, be deemed to be a producer.²⁸

57

Any requirement of this Scheme that a document shall be sent to, or served on, a person by the Board shall be deemed to have been complied with if, within the period (if any) limited for the sending or service of the document, the document is despatched to the person by post, properly addressed and with the postage prepaid.

58

For the purposes of this Scheme every cow which is for the time being upon premises occupied by a producer shall, unless the contrary is proved, be deemed to be in the possession of that producer.

59

60

- (1) Where any provision of this Scheme requires that a resolution of the Board shall be a prescriptive resolution, that resolution shall be recorded by the Board in a separate record of prescriptive resolutions.
- (2) Such record shall be open for inspection at the office of the Board at any time that that office is open and any person shall be entitled to be supplied with a copy of any entry therein on payment of a fee not

exceeding one pound in respect of each prescriptive resolution copied, or to take extracts therefrom for the person's own use free of charge.²⁹

- (3) The Board shall send to each registered producer a copy of every prescriptive resolution as soon as practicable after it is made and shall also send to every registered producer once in every year a list of the prescriptive resolutions then in force. Such list shall state in respect of each resolution –
