- (a) *Covid-19 (Restricted Movement) (Amendment—Exceptions) (Jersey) Order 2020* (R&O.56/2020—in force 2.5.2020)

This Order amends the Covid-19 (Restricted Movement) (Jersey) Order 2020. It adds a further exception from the requirement, in the Covid-19 (Screening, Assessment and Isolation) (Jersey) Regulations 2020, not to go to or remain in a public place.

The exception is for a person who is in a public place for the purpose of taking a period of absence of up to 4 hours from that person's home. The period of absence can be taken as one continuous period, or as more than one period as long as the total in any one day does not exceed 4 hours. The exception does not require the entire period of absence to be spent in public places.

The exception applies only if the person remains, while in a public place, at least 2 metres away from anyone who resides in a different home. The exception requires the period of absence to be spent outdoors or in shops or other business premises rather than in any other buildings. The exception is not needed by a person who is already covered by any of the other existing exceptions in the amended Order, or who has a reasonable excuse for going to or remaining in a public place.

(R&O.79/2020—in force 4.6.2020)

- (k) *Covid-19 (Construction and Workplace—Amendments and Further Extensions) (Jersey) Order 2020*

It amends the exemptions in the Covid-19 (Construction Work) (Jersey) Order 2020 for work by 2 individuals or necessary emergency repair or maintenance. The amendments remove the requirement to maintain a distance of 2 metres from other persons, and the limitations as to who else is present at the site.

It amends the Covid-19 (Workplace Restrictions) (Jersey) Order 2020 as follows. It amends the list of workplaces that must

The suspended provisions contain the only criminal offences in the Regulations, and the effect of the suspension is that there is no criminal sanction in respect of breaches of safe distancing under the Regulations. The suspension is for an indefinite period, so it lasts until this Order is repealed. But the Regulations themselves expire on 30 September 2020 (unless further Regulations amend that date), so the offences will fall away on that date in any case.

 - (c) reduce the restriction on premises selling intoxicating liquor to consume on the premises to requiring only that persons consume the liquor in an area where they are required to be seated; and

BAILIWICK OF GUERNSEY

1 May–31 August 2020

A. GUERNSEY

1. LAWS APPROVED BY THE STATES OF DELIBERATION

- (a) *Reform (Guernsey) (Amendment) Law 2020*
(Urgent Proposition to the States of Deliberation, 21.05.2020. Approved 21.05.20)

This Law amends the Reform (Guernsey) Law 1948 (“the Reform Law”). It amends references to the date of the general election from 2020 to 2021, and creates a power for the States by Ordinance to modify the application of art 29 and any other provision of Part IV of the Reform Law from time to time, for the purpose of enabling a general election to be held at a time other than as provided for in para (1) of art 29. Inserted art 29(5) provides that the provisions of art 3(5) of the Reform Law apply in relation to such an Ordinance as they apply to a *Projet de Loi* intended to repeal or vary any of the provisions of the Reform Law (mirroring a requirement in respect of an existing power to amend by Ordinance at art 20H). The art 3(5) requirements include a requirement for a two-thirds majority of members present and voting for the approval of the Ordinance to be effective immediately.

It also amends the Reform Law to provide that no by-election shall be held if a casual vacancy in the office of Deputy occurs before the 2021 General Election. This amendment shall cease to have effect on 1 January 2022, to avoid this provision of time-bound application being permanently on the face of the statute book.

The Law repeals s 1 of the States (Reform) Law 2015, which provides that a person elected to the office of People’s Deputy at the 2016 general election or a by-election thereafter shall retire from office on 30 June 2020.

- (b) *Alderney Property Tax (Enabling Provisions) Law 2020*
(*Billet d’Etat* No XI of 2020. Approved 22.05.20)

This Law is closely based on the Taxation of Real Property (Enabling Provisions) (Guernsey and Alderney) Law 2005, and empowers the States of Alderney by Ordinance to make provision in relation to the taxation of real property in Alderney. The new tax will be called “Alderney property tax”.

Alderney property tax will be based (so far as assessment, liability, administration and collection are concerned) on Guernsey’s current taxation of real property regime (“TRP”), which will continue to have effect in Alderney but will from 1

January 2021 be levied at a zero rate. Alderney property tax will also replace Alderney occupiers' rate, currently levied by Alderney Ordinance under the Alderney (Application of Legislation) Law 1948.

The Law empowers the States of Alderney by Ordinance to make such provision as they think fit in relation to the taxation of real property in Alderney; defines "Alderney property tax" and "real property"; and lists the specific matters in relation to which an Ordinance under the Law may make provision.

Examples are the rates of, and the allowances, discounts and deductions in respect of, Alderney property tax; the times at which, the periods in respect of which, and the manner in which, Alderney property tax is payable; the classes, descriptions and categories of real property subject to Alderney property tax; the persons liable to pay Alderney property tax, and the persons excepted or exempted from liability; and appeals in relation to the calculation, assessment and levying of Alderney property tax and the valuation, measurement, assessment and categorisation of real property.

(c) *Human Tissue and Transplantation (Bailiwick of Guernsey) Law 2020*

(*Billet d'État* No XI of 2020. Approved 22.05.20)

This Law authorises a transplantation activity or the removal of human tissue from the body of a deceased person, or removal of the body of a deceased person, for a teaching, research or therapeutic purpose ("a regulated activity") if the activity is carried out with express or deemed consent.

The Law prohibits the removal of human tissue from the body of a deceased person for a transplantation activity or a teaching, research or therapeutic purpose unless the person removing the tissue is a registered medical practitioner, two registered medical practitioners have certified that life is extinct and an authorised person has certified that there is express or deemed consent for the relevant activity or purpose.

It also authorises the controller of a hospital or other institution to take steps to preserve the body or human tissue for use for transplantation unless and until it is clear that there is no express or deemed consent for transplantation.

Part III deals with the giving of express consent for a regulated activity and sets out circumstances in which consent for the activity is deemed to have been given. Part IV deals with offences and penalties under the Law.

Post-mortem examinations, inquests and related activities are excluded from the application of the Law.

(d) *Sexual Offences (Bailiwick of Guernsey) Law 2020*

(*Billet d'État* No XIII of 2020. Approved 17.06.20)

This Law introduces new sexual offences broadly based on those contained in the Sexual Offences Act 2003 of England and Wales.

Chapters I and 2 provide key definitions for the purposes of Part I, and define “consent”, introducing evidential and conclusive presumptions where consent is not deemed to have been given in specific circumstances.

Chapter IV introduces four new non-consensual offences: rape, assault by penetration, sexual assault, and sexual coercion. Conviction of any of these offences would require the prosecution to prove that the victim did not consent and that the offender did not reasonably believe that the victim consented. By contrast, Chapter V (Non-consensual offences against children under 13) makes it a strict liability offence for an offender to commit any of the offences in Chapter IV where the victim is aged under 13.

Chapter VI lists the sex offences which can be committed against children under 16: sexual touching of a child, causing or inciting a child to engage in sexual activity, engaging in sexual activity in the presence of a child, and causing a child to watch sexual activity. That Chapter also introduces further offences of sexual communication with a child, grooming for sexual conduct with a child and meeting a child following communication. Chapter XIII introduces offences in relation to the sexual exploitation of children, while Chapter XIV criminalises the possession of “prohibited items”, including child sex dolls.

Chapter VII (Familial child sex offences) criminalises sexual touching of a family member under 18 or inciting a family member under 18 to engage in sexual touching. Chapter XVIII criminalises sexual penetration of, and consenting to sexual penetration by, an adult relative.

Chapters VIII, IX X and XI introduces the basic offences in relation to adults who are in positions of trust over children who are 16 or 17, to careworkers against persons with a mental disorder, against persons with a mental disorder impeding choice and to persons using improper means in relation to persons with a mental disorder. Chapter XII introduces the offence of disclosing private sexual photographs and films with intent to cause distress (also described as “revenge porn”).

Chapter XV criminalises causing, inciting, or controlling prostitution and soliciting a person’s sexual services as a prostitute or paying for the sexual services of a prostitute subject to exploitation. Chapter XVI criminalises trafficking of people for sexual exploitation (in any part of the world) and allows the detention or forfeiture of a relevant vehicle used for the purposes of trafficking.

Chapter XVII criminalises preparatory conduct and Chapter XIX introduces offences of voyeurism and voyeurism towards a child under 16.

Part II (Protection of children) is essentially a re-enactment of the Protection of Children (Bailiwick of Guernsey) Law 1985 with relevant updates.

- (e) *Regulation of Fiduciaries, Administration Businesses and Company Directors, etc (Bailiwick of Guernsey) Law 2020* (*Billet d'État* No XVII of 2020. Approved 18.08.20)

This Law repeals and replaces the Regulation of Fiduciaries, Administration Businesses and Company Directors, etc (Bailiwick of Guernsey) Law 2000 (“the 2000 Law”), as amended, but with the enforcement provisions largely being transferred to the Financial Services Business (Enforcement Powers) (Bailiwick of Guernsey) Law 2020.

The Law is part of a major legislative project by which the five principal Laws dealing with the regulation of financial services business in the Bailiwick of Guernsey, namely the Protection of Investors (Bailiwick of Guernsey) Law 1987, the Banking Supervision (Bailiwick of Guernsey) Law 1994, the Regulation of Fiduciaries, Administration Businesses and Company Directors, etc (Bailiwick of Guernsey) Law 2000, the Insurance Business (Bailiwick of Guernsey) Law 2002, and the Insurance Managers and Insurance Intermediaries (Bailiwick of Guernsey) Law 2002 (all of which have been amended on numerous occasions), will be replaced by new Laws, or, in the case of the Insurance Business (Bailiwick of Guernsey) Law 2002 and the Insurance Managers and Insurance Intermediaries (Bailiwick of Guernsey) Law 2002, amended by Ordinance under the Ordinance-making powers set out in those two Laws.

As well as consolidating the previous heavily amended enactments, the four principal objectives described in the first Policy Letter directing the preparation of the legislation (see para 1.1.8(b) on p. 2717 of *Billet d'État* No XVIII of 2015) are: to ensure compliance with international and EU standards (including the new MiFID regime (Markets in Financial Instruments Directive)); to create efficiencies and ensure effective supervision; to eliminate unjustified inconsistencies by ensuring consistency of text, process and procedure across the regulatory enforcement field, except to the extent necessary to take account of the differing supervisory needs of the individual financial sectors; and to support industry and “future proof” the legislative regime.

In addition, the powers within the five principal Laws and also in the Financial Services Commission (Bailiwick of Guernsey) Law 1987 dealing with enforcement, sanctions and penalties (criminal, civil and administrative), have largely been moved to a

single enforcement powers Law (the Financial Services Business (Enforcement Powers) (Bailiwick of Guernsey) Law 2020). This will ameliorate the legal and administrative burden on the regulator, the Guernsey Financial Services Commission, in having to operate five enforcement regimes across the different Laws which over the years had become increasingly divergent, often in mere points of detail.

The revisions have also enabled the text of the five principal Laws to be updated and brought into alignment with the more recent regulatory Laws.

- (f) *Protection of Investors (Bailiwick of Guernsey) Law 2020*
(*Billet d'État* No XVII of 2020. Approved 18.08.20)
This Law repeals and replaces the Protection of Investors (Bailiwick of Guernsey) Law 1987, as amended, but with the enforcement provisions largely being transferred to the Financial Services Business (Enforcement Powers) (Bailiwick of Guernsey) Law 2020.
- (g) *Financial Services Business (Enforcement Powers) (Bailiwick of Guernsey) Law 2020*
(*Billet d'État* No XVII of 2020. Approved 18.08.20)
This Law makes provision in respect of—
 - (a) the enforcement by the Guernsey Financial Services Commission of the provisions of this Law, the Financial Services Commission (Bailiwick of Guernsey) Law 1987 and the supervisory Laws (the Regulation of Fiduciaries, Administration Businesses and Company Directors, etc (Bailiwick of Guernsey) Law 2020, the Protection of Investors (Bailiwick of Guernsey) Law 2020 and the Banking Supervision (Bailiwick of Guernsey) Law 2020, the Insurance Business (Bailiwick of Guernsey) Law 2002 and the Insurance Managers and Insurance Intermediaries (Bailiwick of Guernsey) Law 2002). The Law also subsumes the provisions of the Financial Services Commission Law relating to enforcement and the provisions of the Protection of Investors (Administration and Intervention) (Bailiwick of Guernsey) Ordinance 2008,
 - (b) the detection, investigation, prosecution and sanctioning (civil, criminal and administrative) of contraventions of the provisions of this Law, the Financial Services Commission Law and the supervisory Laws by persons carrying on regulated business, licensees and others, and
 - (c) all other matters included therein,
 thus ensuring so far as possible consistency and standardisation of the Commission's enforcement and investigative powers, obligations, liabilities, remedies, offences, penalties, sanctions and other consequences (criminal, civil and administrative) by placing them in a single enactment applicable across all regulated

sectors of the finance industry, namely banking, investment, fiduciaries and insurance.

- (h) *Banking Supervision (Bailiwick of Guernsey) Law 2020* (*Billet d'État* No XVII of 2020. Approved 18.08.20)

2. ORDINANCES APPROVED BY THE STATES OF DELIBERATION

This Ordinance amends the Banking Deposit Compensation Scheme (Bailiwick of Guernsey) Ordinance 2008. It confirms that members of the Guernsey Banking Deposit Compensation Board hold and vacate office in accordance with their terms and conditions of appointment, which may also stipulate a notice period. It also allows for negative interest rates; increases the existing aggregate payment cap from £1,000,000 to £2,000,000 in any calendar year and removes the 3 years profits cap; changes the payment timescales for compensation levies by participant banks; clarifies that each participant bank's duty to co-operate includes the provision of personal data; and explicitly requires participant banks to provide data promptly to the Board.
- (b) *Population Management (Guernsey) (Amendment) Law 2019 (Commencement) Ordinance 2020* (*Billet d'État* No XI of 2020. Approved 22.05.20—in force 22.05.20)
This Ordinance commences the Population Management (Guernsey) (Amendment) Law 2019, bringing it into force on the 22 May 2020.
- (c) *Machinery of Government (Transfer of Functions) Ordinance 2020* (*Billet d'État* No XI of 2020. Approved 22.05.20—in force 01.06.20)
Section 1 of this Ordinance transfers to the Committee for Health & Social Care the functions of the Committee for Employment & Social Security relating to (i) health service benefits provided under the Health Service (Benefit) (Guernsey) Law 1990, and (ii) travelling allowance grant under the Social Insurance (Guernsey) Law 1978. Sections 2 to 4 make related provision in relation to the consequent amendment of statutory references, relevant

things done or in the process of being done before the Ordinance comes into force, and subordinate legislation. Section 5 makes appropriate alternative provision in respect of the one relevant provision in the Health Service (Benefit) (Guernsey) Law 1990 where specific provision is necessary. Section 6 sets out what are effectively consequential amendments to the Social Insurance (Guernsey) Law 1978 that flow from the transfer of functions made in respect of travelling allowance grant, in relation to associated regulation making powers. Section 7 amends the Alderney (Application of Legislation) (Health Service) (Benefit) Ordinance 1990 to provide for amendments to the Health Service (Benefit) (Guernsey) Law 1990 to automatically extend to Alderney.

- (d) *Pilotage (Amendment) Ordinance 2020*
(*Billet d'État* No XI of 2020. Approved 22.05.20—in force 22.05.20)
This Ordinance amends the Pilotage Ordinance 1967 (“the 1967 Ordinance”) to require pilots to produce medical certificates which comply with UK Merchant Shipping Notice 1886 (which deals with Seafarer’s medical reports and certificates), and to remove the requirement for general pilots to retire when they reach the age of 65. That latter amendment provides for general pilots to elect to retire at 65, or to do so at a later age provided that they continue to hold a valid medical certificate which complies with the requirements of s 12 of the 1967 Ordinance.
- (e) *Taxation of Real Property (Guernsey and Alderney) (Amendment) Ordinance 2020*

- (f) *Income Tax (Independent Taxation) (Guernsey) (Amendment) Ordinance 2020*
(*Billet d'État* No XIII of 2020. Approved 17.06.20—in force on a day to be appointed by Regulations with the exception of ss 6 and 7 which shall come into force on the 01.01.21)
This Ordinance further amends the Income Tax (Guernsey) Law 1975 to provide that, in the case of married persons, each individual’s income and entitlement to allowances will be assessed independently and separately, thereby terminating the historic position that the income of the wife was considered to be the income of the husband except in certain situations (e.g., where separate assessment had been expressly requested). The same principle of independent and separate assessment will apply

to the parties to same sex marriages and same sex and opposite sex civil partnerships. It is not proposed to depart from the principle that the unused personal tax allowances of one party to the marriage or civil partnership may be transferred to the other party (a matter currently dealt with by resolution of the States under s 36 of the Income Tax Law).

(g) *Income Tax (Guernsey) (Approval of Agreement with Anguilla) Ordinance 2020*

(*Billet d'État* No XIII of 2020. Approved 17.06.20—in force 01.08.20)

(Urgent Proposition to the States of Deliberation, 01.07.20. Approved 01.07.20—in force 01.07.20)

This Ordinance sets the date of the 2020 general election as 7 October and also provides that a general election shall be held in April 2025 (s 1). Section 1 also contains modifications to art 29 of the Reform (Guernsey) Law 1948 (and several other provisions of Part IV of that Law) necessary to facilitate the holding of the general election on 7 October, and to provide for a general election to be held in April 2025. Those modifications are made in exercise of the Ordinance-making power inserted into art 29 by the Reform (Guernsey) (Amendment) Law 2020.

Section 2 of the Ordinance provides that the electoral roll shall be closed on 21 August in relation to the 2020 general election.

(i) *Electoral Expenditure Ordinance 2020*

(Urgent Proposition to the States of Deliberation, 01.07.20. Approved 01.07.20—in force 01.07.20)

This Ordinance makes provision in respect of expenditure by candidates and political parties at the 2020 general election.

(j) *Postal Voting (Amendment) Ordinance 2020*

(Urgent Proposition to the States of Deliberation, 01.07.20. Approved 01.07.20—in force 01.07.20)

This Ordinance amends the provisions of the Reform (Amendment) (Guernsey) Law 1972 (“the 1972 Law”) relating to postal voting, so as to—

- (a) reflect changes to the Reform (Guernsey) Law 1948 made by the Reform (Guernsey) (Amendment) (No 2) Law 2019 (“the

- Amendment (No 2) Law”) to provide for Island Wide Voting (for example, the move to one electoral district);
- (b) provide that for the 2020 general election, applications for a postal vote have to be made by 25 September;
 - (c) provide expressly for the Registrar-General to have power re-issue, and cancel issued, postal ballot voting packs in certain circumstances (for example, to re-issue where satisfied that the original documents have been lost or damaged beyond use);
 - (d) create a power (subject to a requirement to consult the Registrar-General) for the States’ Assembly & Constitution Committee to make regulations modifying the application of certain sections of the 1972 Law for the purpose of facilitating the potential introduction of automated processes in the administration of postal voting in this or subsequent elections; and
 - (e) make changes consequential on other changes made by the Amendment (No 2) Law (for example, deletion of references to the Secret Ballot Law, which Law was repealed by the Amendment (No 2) Law), and for administrative ease and flexibility (for example, provision for returned postal votes to be opened by the Central Returning Officer at any time on the date of the election).
- (k) *Elections (Nominations and Ballot Papers for People’s Deputies) Ordinance 2020*
 (Urgent Proposition to the States of Deliberation, 01.07.20. Approved 01.07.20—in force 01.07.20)
 This Ordinance puts beyond doubt the power of the Presiding Officer to direct that a form of nomination for the office of People’s Deputy shall contain a political party declaration, as defined in s 1(2), and specifies the matters to be set out on the face of the ballot paper in an election to the office of People’s Deputy.
- (l) *Advance and Super Polling Station Ordinance 2020*
 (Urgent Proposition to the States of Deliberation, 01.07.20. Approved 01.07.20—in force 01.07.20)
 This Ordinance establishes St Sampson’s High School and the Princess Royal Performing Arts Centre as “super” and “advance” polling stations for the 2020 general election, setting out the dates in October on which, between 8am and 8pm, a person resident in any part of the Island may vote there. It also provides for various specified parochial polling stations to be advance polling stations—that is, to be open for voting on the day before the date of the election.
- (m) *Income Tax (Guernsey) (Approval of Agreement with Finland) Ordinance 2020*

(*Billet d'État* No XVI of 2020. Approved 18.08.20—in force 21.08.20)

This Ordinance specifies, as an approved international agreement, an agreement providing for the obtaining, delivery, making available, furnishing and/or exchanging of documents and information in relation to tax, made for the purposes of the Income Tax (Guernsey) Law 1975.

The agreement specified is the Protocol amending the Agreement between the States of Guernsey and the Government of the Republic of Finland for the Exchange of Information relating to Tax Matters signed at Helsinki on 28 October 2008, the Protocol having been signed at Helsinki on 3 April 2020 and in Guernsey on 24 April 2020.

(n) *Document Duty (Guernsey) Law 2017 (Amendment) Ordinance 2020*

(*Billet d'État* No XVI of 2020. Approved 18.08.20—in force 18.08.20)

This Ordinance amends the Document Duty (Guernsey) Law 2017 so as to add two further exemptions to the liability to pay document duty on a conveyance of real property.

The first exemption exempts from duty a conveyance of property within a trust where the vendor or purchaser is a company wholly owned by the trustees (as trustees) rather than the trustees themselves.

The second additional exemption removes the liability to document duty of a transaction between a vendor who is an individual (or a number of individuals) and a company of which that individual (or those individuals) represents the entire beneficial ownership of the shares.

(o) *Customs and Excise (General Provisions) (Amendment) Ordinance 2020*

(*Billet d'État* No XVII of 2020. Approved 18.08.20—in force 01.09.20)

This Ordinance amends the Customs and Excise (General Provisions) (Bailiwick of Guernsey) Law 1972 to enable the States of Alderney to specify the rates of excise duty on motor fuel imports into Alderney.

(p) *Alderney (Application of Legislation) (Document Duty) (Amendment) Ordinance 2020*

(*Billet d'État* No XVII of 2020. Approved 18.08.20—in force 18.08.20)

This Ordinance amends the Document Duty (Guernsey) Law 1973 and the Document Duty Ordinance 2003 to enable the States of Alderney to prescribe documents and set the rates of document duty on conveyances of Alderney Property.

- (q) *Prescription Only Medicines (Human) (Bailiwick of Guernsey) (Amendment) Ordinance 2020*
(*Billet d'État* No XVIII of 2020. Approved 25.08.20—in force 28.08.20)

This Ordinance amends the Prescription Only Medicines (Human) (Bailiwick of Guernsey) Ordinance 2009 to enable a vaccine designated by the Committee for Health & Social Care (“the Committee”) to be sold, supplied and administered in the Bailiwick of Guernsey in accordance with a Patient Group Direction issued under that provision, despite existing restrictions on the sale, supply and administration of prescription only medicines. It authorises the Committee to designate any COVID-19 vaccine it considers appropriate, as long as the vaccine has a recognised marketing authorisation, or a temporary authority issued under the Human Medicines Regulations 2012.

It also authorises the Committee to specify by regulations the classes of persons, in addition to registered healthcare professionals, allowed to administer the designated vaccine. A Patient Group Direction for the sale, supply and administration of the designated vaccine will need to be signed by the Director of Public Health, in order to have effect.

In addition, the amendments enable the Committee to carry out or coordinate vaccination programmes for SARS-CoV-2 and influenza vaccinations and immunisations using the designated vaccine or other medicinal products, where necessary.

- (r) *Long-Term Care Insurance (Guernsey) (Rates) Ordinance 2020*
(*Billet d'État* No XVI of 2020. Approved 19.08.20—in force 05.10.20)

This Ordinance increases rates of long-term care benefit and the weekly payment which a claimant must make, towards the cost of the claimant’s care, under the Long-term Care Insurance (Guernsey) Law 2002, with effect from 5 October 2020.

- (s) *Land Planning and Development (Planning Tribunals) (Modifications) Ordinance 2020*
(*Billet d'État* No XVI of 2020. Approved 19.08.20—in force 19.08.20)

This Ordinance modifies s 87 of the Land Planning and Development (Guernsey) Law 2005 relating to the appointment of a Planning Tribunal to hear and determine a particular planning appeal. It modifies that section so that a member, who is not a professional member, of the Planning Panel can be designated to preside over a Planning Tribunal and to allow for a Planning Panel member, who has been appointed to preside in a Tribunal, to be replaced if it is not reasonably practicable for the member to travel to Guernsey.

Such modifications are permanent but only apply where at either the time of the designation of the person presiding, or at any time

before the final hearing of the Planning Tribunal, directions or other provisions are in force, or are to come into force, which prohibit or restrict, or impose conditions on, persons travelling into or out of Guernsey.
